Lower League Football in Crisis Daniel Ziesche,2020-10-01 While the field of football studies has produced an abundance of literature on professional top league football there is little research output to do with the non top level football This book explores the relationship between the top and lower leagues laying open the drastic schisms that exist between the different levels The study links the developments at the top level of English and German football in the past 30 years to transformational processes in lower league football Illustrating how the hegemonic status of top football weighs hard on the spheres below it depicts how it also serves as a blueprint for lower league football clubs strategies in coping with a threefold dilemma of institutional legitimacy that shows itself in economic cultural and social dimensions Taking the different club structures in both national contexts as a starting point it portrays both the efficacy of institutional frameworks and how these can be challenged from below This research will be of interest to students and scholars across football studies sports studies the sociology of sport and organisation studies

Soccer, Globalization, and Innovation Kirk Bowman,John B. Boyd,2025-09-24 This is the first book to focus on innovation as a response to globalization in soccer in the context of the global development of the world s most popular sport Concentrating on social innovation and on innovations in governance and organization in soccer s traditional heartlands and also at its global periphery the book explores some of the most important contemporary themes in the social scientific study of sport including fandom activism gender governance new media artificial intelligence greenwashing and sport for development The book features case studies from around the world including the United States Brazil T rkiye Finland England Spain Japan Morocco Uruguay and South Africa and it opens new theoretical perspectives on soccer as a vector of social development and on the intersection of sport and globalization This is fascinating reading for anyone with an interest in the sociology of sport sport management sport development soccer political science or global development
