**Airframe Test Guide 2001** Dale Crane,2001      *Official Baseball Guide* ,1954      **TV Guide** ,2006      *Baseball* Steven P. Gietschier,2023-07 A history of baseball as a sport and business during the middle of the twentieth century examining the game on and off the field and tracing its development within the broader contours of American history      **University of Michigan Official Publication** University of Michigan,1999 Each number is the catalogue of a specific school or college of the University      **The Complete Guide to Adventures in Odyssey** Phil Lollar,1997      **The Sporting News** ,1986-10

**Who's on First** Mark Z Aaron,2015-03-19 This is a book about baseball's true replacement players. During the four seasons the US was at war in World War II 1942 1945 533 players made their major league debuts. There were 67 first time major leaguers under the age of 21. Joe Nuxhall the youngest at 15 in 1944. More than 60 percent of the players in the 1941 Opening Day lineups departed for the service. The 1944 Dodgers had only Dixie Walker and Mickey Owen as the two regulars from their 1941 pennant winning team. The owners brought in not only first timers but also many oldsters. Hod Lisenbee pitched 80 innings for the Reds in 1945 at the age of 46. He had last pitched in the major leagues in 1936. War veteran and former POW Bert Shepard with an artificial leg pitched in one game for the 1945 Senators and one armed outfielder Pete Gray played for the St Louis Browns. The war years featured firsts and lasts. The St Louis Browns won their first and last pennant in 1944 a feat made more amazing by the fact that they had not finished in the first division since 1929. The 1944 team featured 13 players classified as 4-F. The Chicago Cubs appeared in the 1945 World Series but have not made it back since. Some 53 members of the Society for American Baseball Research (SABR) have contributed to this volume. We invite you to sit back and relax as you learn Who's on First.
