## **Native American Postcolonial Psychology:**

*Native American Postcolonial Psychology* Eduardo Duran, Bonnie Duran, 1995-03-30 This book presents a theoretical discussion of problems and issues encountered in the Native American community from a perspective that accepts Native knowledge as legitimate Native American cosmology and metaphor are used extensively in order to deal with specific problems such as alcoholism suicide family and community problems The authors discuss what it means to present material from the perspective of a people who have legitimate ways of knowing and conceptualizing reality and show that it is imperative to understand intergenerational trauma and internalized oppression in order to understand the issues facing Native Americans today pub website

**Anishinaabe Ways of Knowing and Being** Lawrence W. Gross, 2016-04-15 Very few studies have examined the worldview of the Anishinaabeg from within the culture itself and none have explored the Anishinaabe worldview in relation to their efforts to maintain their culture in the present day world This book fills that gap Focusing mainly on the Minnesota Anishinaabeg Lawrence Gross explores how their worldview works to create a holistic way of living However as Gross also argues the Anishinaabeg saw the end of their world early in the 20th century and experienced what he calls postapocalypse stress syndrome As such the book further explores how the values engendered by the worldview of the Anishinaabeg are finding expression in the modern world as they seek to rebuild their society **A**

**Conceptual Model of Psychological Distress in Native Americans** Shari Ann Robinson, 2004 **Radical Psychology** Don Coyhis, Susan O. Gelberg, David D. Moore, Mathew A. Poteet, 2020-07-06 Radical Psychology outlines the psychological factors that shape multicultural competency and social justice effectiveness such as implicit and explicit biases difficulties in accurate self assessment of cultural competency and social justice skills and the historical biases that continue to shape Western psychological training and practice This book provides a challenging balance between research and professional reflections in order to appeal to readers with different cultural backgrounds and learning styles The diversity of the contributors underscores the need to include cultural experts as side by side colleagues consultants and supervisors in order to help Western psychologists expand their professional cultural paradigms and worldviews This book is recommended for psychologists counselors educators researchers social workers substance abuse counselors administrators students and mental health agencies **Native American Spirituality** Lee Irwin, 2000 Essays explore the meanings experiences beliefs and practices of traditional Native American spirituality and Native Christianity in the twenty first century

Negotiating History and Culture Karsten Fitz, 2001 Native American cultures have always succeeded to varying degrees in negotiating a balance between their tribal cultural heritage and the dominant culture In the present study the meeting between these cultures is not interpreted as a clash but as a cultural encounter in a contact zone The concept of transculturation serves as a theoretical model to analyze how history and culture are fictionally constructed in contemporary American Indian literature Developing a dynamic dialogic and reciprocal relationship between their native worldviews and literary techniques on the

one hand and those of the larger society on the other the writers examined in this study Anna Lee Walters Diane Glancy James Welch Linda Hogan Thomas King and Gerald Vizenor stress the processual nature of culture These writers demonstrate that transculturation functions as a major strategy of survival for Native Americans in the past and in the present

**Postcolonial Theory**, 1999 *Handbook of Racial-cultural Psychology and Counseling: Theory and research* Robert T. Carter, 2004 This two volume handbook offers a thorough treatment of the concepts and theoretical developments concerning how to apply cultural knowledge in theory and practice to various racial and cultural groups Volume One focuses on theory and research and covers acculturation language and culture social class ethical research and emerging areas of inquiry 0D0A Critical Indigenous Philosophy Jennifer Lisa Vest, 2000 **American Indian Culture and Research Journal**, 2008 **Studies in the Literary Achievement of Louise Erdrich, Native American Writer** Brajesh Sawhney, 2008 This work is a collection of critical essays on the fiction and scholarship of one of Native America's most loved and respected writers Drawing on her Chippewa and German American heritage Erdrich has produced a body of work whose pervasive mythical landscape and the cast of interconnected characters has been credited with bringing Native American literature to the literary mainstream and inspiring an entire generation of Native American writing Her eleven North Dakota novels constitute a web of complex absorbing narratives documenting familial political and social histories over a century of tumultuous change Erdrich's blending of Native oral and western traditions demand multilayered critical approaches The essays relate to different issues relevant to her fiction in particular the categorization of her work as Native American but also questions about genre gender structure narrative voice authorship and the ethics and politics of fiction labeled as Native American Peter G Beidler's essay for example investigates the use of medical terms as source of humor in *Four Souls* Tom Matchie in his essay explores parallels between use of grotesque in Erdrich and Flannery O'Connor Alan R Velie examines dialectics of the Indian aesthetics and western literary forms in her fiction Annette Van Dyke in her study of Agnes Damien's role in *The Last Report* shows how the reader's perspectives change with a change in Agnes's role Deborah L Madsen and Barbara Hiles Mesle explore Erdrich's fiction from the perspective of trauma theory in the Native American context Harry J Brown's essay on the function of naming in her fiction Holly Messitt in his comparative study of early American captivity narratives and Erdrich's fiction David T McNab in his study of death and dying in her fiction all hint at the possibility of scholarship that Erdrich's fiction can spawn

**Culturally Responsive Cognitive-behavioral Therapy** Pamela A. Hays, Gayle Iwamasa, 2006 *Culturally Responsive Cognitive Behavioral Therapy Assessment Practice and Supervision* is the first book to integrate cultural influences into cognitive behavioral therapy CBT This engagingly written volume describes the application of CBT with people of diverse cultures and discusses how therapists can refine cognitive behavioral therapy to increase its effectiveness with clients of many cultures The contributing authors examine the characteristics of some of the most common cultural groups in the United States including American Indian Latino Asian and African American as well as

groups less commonly considered in multicultural psychology books people of Alaska Native Arab and Orthodox Jewish heritage The volume also describes the use of CBT with older adults people with disabilities and gay and lesbian individuals including examples of people who hold bicultural and multicultural identities A chapter on culturally responsive assessment with an emphasis on the most frequently used cognitive behavioral scales and a chapter on supervision round out this volume Numerous case examples provide practical information grounded in an empirically supported theory making this book a practical resource for every therapist

**Addictions and Native Americans** Laurence French, 2000-01-30 Annotation Examines the problem of addiction among Native Americans and discusses the prevention treatment and intervention issues facing therapists

Religion and Healing in Native America Suzanne J. Crawford O'Brien, 2008-05-30 What it means to be

healthy or to heal is not universal from culture to culture from religion to religion Indeed in many cultures religion and healing are intimately tied to each other In Native American communities healing is conceived as the place where ideas about the body and selfhood are brought to light and expressed within healing traditions Healing is defined as self making and illness as whatever compromises one s ability to be oneself This book explores religion and healing in Native America emphasizing the lived experience of indigenous religious practices and their role in health and healing Indigenous traditions of healing in North America emphasize that the healthy self is defined by its relationship with its human spiritual and ecological communities Here Crawford brings together first hand accounts personal experience and narrative observations of Native American religion and healing to present a richly textured portrait of the intersection of tradition cultural revival spirituality ceremony and healing These are not descriptions of traditions isolated from their historical cultural and social context but intimately located within the communities from which they come These portraits range from discussions of pre colonial healing traditions to examples where traditional approaches exist along with other cultural traditions both Native and non native At the heart of all the essays is a concern for the ways in which diverse Native communities have understood what it means to be healthy and the role of spirituality in achieving wellness Readers will come away with a better understanding not just of religion and healing in Native American communities but of Native American communities in general and how they live their lives on an everyday basis
