**The Routledge Handbook of Nature Based Tourism Development** Ante Mandić, Sandeep K. Walia, 2023-03-29 This handbook offers a comprehensive overview of the themes and concepts related to nature based tourism development. Providing interdisciplinary insights from leading researchers academics and practitioners across the globe it delivers a critical and timely contribution to the knowledge around nature based tourism. Nature based tourism is currently the fastest growing tourism sector globally and for many destinations the most significant tourism segment. Organized into five parts this handbook provides contemporary and cutting edge perspectives on core topics and explores their linkages. It considers among others various natural settings and natural attractions where nature based tourism can be exercised including protected and conserved areas islands and mountains the emerging themes shaping the contemporary nature based tourism development including ethics Sustainable Development Goals COVID 19 crisis over tourism climate change resilience and new approaches toward the visitor management and low impact experience design including regenerative and transformative tourism destination stewardship and pro environmental behaviour. Part I introduces the concept of nature based tourism and the emerging challenges in the field. Part II explores the key components in the management and planning of nature based tourism development. In Part III the handbook focuses on visitor experience design and management and Part IV highlights the impacts of nature based tourism. Part V examines the future of nature based tourism and possible solutions to mitigate associated challenges in the field. The handbook offers a valuable contribution with a systematic outlook of the phenomenon of nature based tourism and critical perspectives on key concepts policy and practice. It shares current knowledge innovative tools and sustainable solutions with substantial evidence and societal impact. The book will appeal to students researchers and professionals in the fields of tourism human geography leisure studies business studies and sociology.
