**Digital Distractions in the College Classroom** Flanigan, Abraham Edward, Kim, Jackie HeeYoung, 2022-02-04 Student misuse of mobile technology for off task purposes has become an international phenomenon in college classrooms When a student's self regulation of learning breaks down in the classroom or when their task motivation begins to wane turning toward their

digital devices for leisure purposes is often the result. Although numerous studies have independently examined student digital distraction in the context of the college classroom, there remains a need to organize the field's collective understanding of the phenomenon. *Digital Distractions in the College Classroom* explores the challenges that arise from student digital distraction along with potential solutions, including how mobile technology can be leveraged to improve student motivation, self-regulation of learning, and achievement. Addressing topics such as academic motivation and instructional design, this book is ideal for instructional designers, instructors, researchers, administrators, academicians, and students.

***International Sport Marketing*** Michel Desbordes, André Richelieu, 2019-04-05 How is sport marketing being transformed by new media and technology by globalization and by the opening of new markets and sources of revenue? This book examines the most important trends and developments in contemporary sport marketing around the world, shining new light on the importance of marketing and markets as the drivers of international sport business. The book introduces essential concepts and best practice in international sport marketing today and presents original case studies from around the world, looking at leagues, commercial sponsors, consumer behavior, and the role of athletes and their representatives. It covers important topics from place branding and experiential marketing to equipment manufacture and sports arenas, as well as the economic impact and regulation of sports events, the financialization and commodification of sport, and marketing in the sport for the development and peace sector. *International Sport Marketing* is essential reading for all students, scholars, and practitioners working in sport marketing, especially those concerned with the globalization of the sports industry.

***iPhone Photography For Dummies*** Mark Hemmings, 2020-07-13 Create beautiful iPhone photos with the techniques found in this book. *iPhone Photography For Dummies* shares the expertise of photography workshop instructor Mark Hemmings as he shows readers how to get stunning images using their favorite iPhone. By implementing Hemmings' simple techniques, you'll get professional-looking results in a fraction of the time you'd expect. You'll learn to adjust camera settings, create majestic landscape images, capture exciting action shots, shoot beautiful portraits, select an editing app, share and organize images, shoot photos comfortably while on the go. Perfect for those who want to take breathtaking photos without investing in a top-of-the-line camera, *iPhone Photography For Dummies* takes the guesswork and luck out of creating beautiful imagery. It shows people without formal training in photography how to make meaningful and noticeable improvements in their shooting technique using either the latest iPhone model or older versions of the device.

***Advertising Creative*** Tom Altstiel, Jean Grow, Marcel Jennings, 2019-01-18 *Advertising Creative*, Fifth Edition, continues to weave discussions about digital messaging through every chapter. Yet the underlying theme is still about one thing that never changes: the need for fresh concepts and big ideas in pursuit of the One Thing. This edition introduces a new co-author, Marcel Jennings, who brings a fresh perspective from his background as a copywriter and creative director, as well as teaching at Virginia Commonwealth University. As always, the authors draw upon their experiences as working advertising professionals and teachers to get right to the point.
