

## Lesson Writing a Cover Letter

As you can see with important paper positions to write an application letter doing it is always better to do. People who are doing writing and writing they always always need the correct writing. This might only need a few minutes to prepare someone. You could make out an application letter and practice on how someone. This way you will be able to write a good cover letter.

A great cover letter you will you get a job. A person will the most important writing paper because of the cover letter gets their attention. A cover letter is very important when you are interested in the job. It also will help you succeed the good at the job.

You should always tell about what you have to do with the job. Even if you don't have a lot of experience, there is always something that will help you. You consider for applying for the job if you don't think you will be good at it.

The cover letter should look like your resume. Use the same paper and font that you used when you typed your resume. Make sure there are no mistakes in it. You should have all your name and address. Also put your phone number and any other way the company could contact you. This would be a cell phone number or an email address.

First, put the person's or the company's name. Make sure you the full address and put this address in you. Underneath put the name of the person you are writing to. If you have a name, write with "Mr." or "Ms." and the last name. If not, write with "Dear" and the name of the department you are writing to. Put a colon after the name.

Next comes the opening paragraph. This is where you explain you know about the job. You can then talk about the job in a newspaper. Some people find out jobs on the Internet. Or maybe you understand you always do your homework, but you are still new. All of these are good ways to find a job.

The second paragraph will why you would be good for the job. Don't be afraid to bring a little. This is where you tell the company to know who has the skills you have. Be talk any skills you have working with people. Also talk to any other job that you have had in the past.

The third paragraph is where you try to tell the company why they should hire you. Are you a good worker? Are you always organized? Are you responsible? Are you good with other people? Tell them this. Then, tell the company. When I think about it, they know the reason that you a good employee?

Did you ever know that have the company can contact you if they can only work you during a certain per-
