

# MIDDLE CLASS SCHOLARSHIP UPDATE

---

## The Middle Class Scholarship will be delayed!

We want to provide an update regarding the Spring 2025 Middle Class Scholarship (MCS). We anticipated disbursing the spring portion of this award this month. However, **the California Student Aid Commission (CSAC) has requested all statewide MCS disbursements be delayed until further notice. CSAC is currently working to resolve an issue and will notify campuses when MCS disbursements can resume, as well as any changes to the MCS award.** This should not impact the disbursement of your other financial aid for the spring term.

We understand that this delay may cause an inconvenience. Rest assured; we are working closely with CSAC to determine the final MCS spring term award amount and will keep you informed of any developments.

**UPDATE: We have received the “green light” and should be disbursing the spring portion of the Middle Class Scholarship by the end of this week!**
