Battle for the Bird Kurt Wagner,2025-04 In battle for the Bird Bloomberg journalist Kurt Wagner takes the reader inside Twitter's everchanging headquarters charting its rise from flippancy 140 character posts to one of the world's most consequential tech companies From Jack Dorsey's triumphant return as CEO in 2015 to the rise and fall of realDonaldTrump to the contentious 44 billion sale to Elon Musk Battle for the Bird exposes the messy reality and relentless challenges that come with building a global social network With enthralling minute by minute accounts of Musk's controversial takeover from insider employees Battle for the Bird exposes the real world impact of the South African billionaire's new role as owner and employees growing horror as Dorsey's idealistic promises and the Twitter name go up in flames before their eyes Battle for the Bird is the definite objective and substantive account of the fight over the world's most influential social media platform Now for the first time through deeply sourced exclusive interviews readers will discover how the visionary promises of one iconoclast gave way to the darker yet to be defined motives of another upending the virtual status quo and impacting the flow of news and information to the masses

Hello World Hannah Fry,2018-09-06 One of the best books yet written on data and algorithms deserves a place on the bestseller charts The Times You are accused of a crime Who would you rather determined your fate a human or an algorithm An algorithm is more consistent and less prone to error of judgement Yet a human can look you in the eye before passing sentence Welcome to the age of the algorithm the story of a not too distant future where machines rule supreme making important decisions in healthcare transport finance security what we watch where we go even who we send to prison So how much should we rely on them What kind of future do we want Hannah Fry takes us on a tour of the good the bad and the downright ugly of the algorithms that surround us In Hello World she lifts the lid on their inner workings demonstrates their power exposes their limitations and examines whether they really are an improvement on the humans they are replacing A BBC RADIO 4 BOOK OF THE WEEK SHORTLISTED FOR THE 2018 BAILLIE GIFFORD PRIZE AND 2018 ROYAL SOCIETY SCIENCE BOOK PRIZE

The Last Driver's License Holder Has Already Been Born: How Rapid Advances in Automotive Technology will Disrupt Life As We Know It and Why This is a Good Thing Mario Herger,2019-07-26 How the radical disruption of the auto industry affects you and how you can prepare for the soon to be new normal The combined effect of autonomous driving electric vehicles and the sharing economy is on the verge of changing the auto industry all within the next decade And this tech economics revolution will touch virtually every industry What exactly will change Jobs Demand for commercial vehicle drivers car dealers mechanics doctors and many other professions will shrink Laws Manually driving cars will be forbidden and car ownership will be almost nonexistent Housing Prices will drop and cities and towns will be planned differently Healthcare Infrastructure will shrink as traffic accidents dramatically decline Global trade China will become the world's biggest automotive exporter The Last Driver's License Holder Has Already Been Born provides the information and insight you need to position your company for these

groundbreaking changes It reveals the disruptive technologies now taking shape and provides a timeline of when they will take hold It examines the impact on the industry itself as well as adjacent sectors including jobs and professions city and street design hospitals insurances politics security hospitality industry the oil industry real estate and society at large And it provides the knowledge and insight you need to keep yourself and your organization ahead of the curve and in front of the competition Popular Science ,2008 **Mapping Innovation (PB)** Greg Satell,2017-05-26 Map the innovation space and blaze a path to profits and growth Countless books articles and other advice promise leaders solutions to the complex challenges they face Some offer quick silver bullet remedies a straight line to success and some are so technical that readers get lost before they begin Now there s Mapping Innovation a refreshing alternative in the crowded business innovation space Engaging and informative without sacrificing substance and expertise this groundbreaking guide provides thorough background on some of the greatest innovations of the past century as well as It details the processes that advanced them from inception to world changing products and shows you how to replicate their success Business innovation expert Greg Satell helps you find your way by revealing the four models of innovation Basic Research Breakthrough Innovation Sustaining Innovation and Disruptive Innovation One size does not fit all so he provides a framework the Innovation Matrix for discovering which type of innovation process best suits the problem you need to solve It s about asking the right questions so that you can apply the right strategies to the problems you need to solve In the end you ll have a crystal clear model for disrupting the marketplace scaling your efforts to propel your enterprise forward and leverage digital platforms to your advantage Mapping Innovation offers a simple and accessible but powerful approach to developing a strategy that will put you light years ahead of the competition *Executive Presence 2E (PB)* Harrison Monarth,2019-06-07 Be the kind of leader that other leaders envy by strategically harnessing the extraordinary power of perception One of today s most in demand leadership consultants Harrison Monarth has coached executives and CEOs in various industries from technology medicine and law to hospitality and consumer products They have come from companies as large and wide ranging as Hewlett Packard P G General Motors Deloitte Consulting PepsiCo and Standard and Poor s Monarth has now updated his classic groundbreaking guide to give you the edge on the competition in today s dog eat dog business landscape Building an executive presence is about being in control of your emotions when you re under stress It s about knowing yourself well enough to clearly see the impact and influence you have on others It s about managing your behaviors so you always foster trust and credibility It s about leaving absolutely no doubt about the value you contribute to others and your organization And it s about actively monitoring and managing your reputation to achieve important outcomes Monarth takes you step by step through the process of building your personal brand as the kind of leader everyone trusts to do the right thing at the right time and as the one person people automatically seek out to lead them through the most challenging situations There s no replacement for basic leadership talent and skills But what makes someone a top tier leader those who take their

organization from a solid industry player to the unchallenged industry frontrunner is the ability to harness the power of perception to engage stakeholders at any level and make things happen Executive Presence delivers everything you need to stand out among the competition at every turn in your career **Youtubers y otras especies** Millán Ignacio Berzosa Peñaranda,2017-05-04 Esta obra acerca de forma amena al lector la realidad que hay detr s del xito de YouTube un fen meno que ha transformado la manera de crear y consumir contenido audiovisual Una oportunidad nica para comprender el trabajo de los youtubers y profundizar en los diferentes tipos de p blico y tem ticas que triunfan en Internet y para descubrir el papel transformador de la tecnolog a a trav s de los contenidos en v deo Explica las consecuencias de YouTube como nuevo medio de comunicaci n su aplicaci n en la educaci n o sus modelos de negocio hasta el papel que juegan los youtubers tambi n como prescriptores en busca de conexi n con el usuario *Business Week* ,2008 **Time** ,2009 The Business Week ,2007-07
