Phonics instruction is foundational to reading and writing. Phonics instruction focuses on how letters and sounds work together. A key area of the unit is the progression of word types: the CVC (Consonant Vowel Consonant), CVVC (Consonant Vowel Vowel Consonant), and CVCV (Consonant Vowel Consonant Vowel) words. Teaching these word patterns helps students develop the skills to decode and read a variety of words.

Learn a variety of important concepts with glossary-style resources to help you learn about Florida and New Mexico's unique history.

Abstract

When writing a story, I think of how I can best tell my story. I can choose to tell it in a certain way, or I can choose to tell it in a different way. I can choose to tell it in a way that is most interesting to me, or I can choose to tell it in a way that is most interesting to my audience. I can choose to tell it in a way that is most interesting to my audience, or I can choose to tell it in a way that is most interesting to me.
