Fulking, 2016-11-08 A perfect step by step guide for any high street punter wanting to turn their losses into profit we recommend it Simon CEO Rebelbetting Though I have personally experienced my own account restrictions and closure from consistently betting on best available odds on line as a methodology for Football Arbitrage this is very comprehensive I read through to the end Jason Buchdhal manager of Football Data co uk Author of Squares Sharps Suckers Sharks The Science Psychology Philosophy of Gambling 2016 Since I have applied this method it has allowed me to up my stakes each week on my betting slips without the fear of loss which in turn has offered me far higher returns and winnings thank you Pierce Matt Foote Bristol Gambling enthusiast and product user

The Horseracing Formula , This powerful book by turf authority Walter Gibson shows experienced and novice handicappers how to profit by using winning strategies to beat the horses This repackaged edition shows bettors learn how to analyze their real winning chances when playing favorites middles odds and longshots and the proper formula they need to win by betting each group Twenty five winning strategies are presented in seven concise chapters teaching horse goers how to find the best bets in a race the middle odds and overlays the weight factor playing longshots progressive betting systems and the daily double giving readers comprehensive coverage of picking winning horses A classic with plenty of no nonsense information Fixed Odds Sports Betting Joseph Buchdahl, 2003 Few people manage to make money from gambling and fewer still make a living from it Written for hardened and novice betters alike Joseph Buchdahl s essential guide examines through various numerical techniques how fixed odds punters may learn to beat the bookmaker protect profits through a sensible approach to risk management and turn high risk gambling into a form of low risk investment

**Sports Arbitrage - Riskless Investment** George Lynam, 2007-08-09 This is the most comprehensive book yet written on the subject of sports

arbitrage It provides the theory and practice of this riskless investment and with many examples shows how it is possible to generate a substantial income even from a small starting bank Many of the opportunities outlined have never been published before and it delves into the mysteries of synthetic arbitrage and each way arbitrage amongst many other techniques If you want to take a look into the exciting world of riskless sports investment whether you re a beginner or professional then this book is for you You re guaranteed to learn something new Horse Racing System Seeing The Light , I have written many books about UK horse racing betting systems e g horse laying in 6f 7f races horse dutching to 35% book large betfair place market decimal odds betting systems and many more I have been able to do this as I have modelled these horse racing betting systems on my own database using my own computer code I am fortunate I have I T background and have computer science degree which has helped me a great deal in my quest for the perfect horse racing systems This book is different as I feel that this horse racing betting system helps punters see the light when selecting horses for a bet The system is so simple to follow that punters who have busy lives can apply this system very quickly and accurately The system uses the free racing post on the internet so there are no further costs The book is priced to refelect seeing the light many punters are in the dark

Bet for Fun and Win Robert William Pearce,2009-02-18 Bet for fun and WIN is a very comprehensive and easy read of varying aspects of the authors twenty years experience of betting on the horses It describes how to study the form and odds and looks at the factors affecting the potential performance of horses like the ground weather course distance jockey trainer speed and other issues Diferent types of bets are stated and the times when to be wary to minimise loses and maximise gains There isn t another book on the market like this one **UK Horse Racing Betting Systems** Mark Horrocks, I graduated

from University with a computer science degree many years ago when a degree meant something I was always interested in horse racing and was fascinated in solving the UK horse racing form puzzle I started my own computer business in my early 20 s where I made good money and travelled across Europe It was at this point in my life I decided to start a horse tipping business where I had weekly full page colour adverts in the Racing Post at 2K per advert and offices I left the running of this horse tipping business to staff who were responsible for all parts of the business while I concentrated on my computer business In my late 30 s around 1990 I decided to use my computer skills to computerise and model UK horse racing form using a database built with 10 years of detailed horse racing form It was over a period of 2 years that I concentrated my efforts on UK handicap races in conjunction with the betting exchange Betfair This is where I believed maximum profit could be gained The computer model allowed me to process 100 s of handicap races per day and then formulate my system tweeking a horse s weight and BHB or OR Official Rating I must confess this was a difficult puzzle to crack even with a computer program that I wrote to crunch the data I eventually found the correct weight and BHB rating for a horse based on it s last performances in handicap races This eBook outlines this system and can be manually applied easily using the Racing Post on the internet Weighing the Odds in Sports Betting King Yao,2007 This book by King Yao author of the widely

acclaimed Weighing the Odds in Hold em Poker should be used as a guideline to sports betting rather than a blueprint The sports betting market changes and adapts quickly The underlying principles shown in this book should help the reader adapt and continue to make good bets even when the market changes Understanding and Calculating the Odds Catalin
