Although this workbook was originally planned for high school Bible classes meeting every day for a semester it has found a wider use by various age groups in churches and colleges and by individuals desiring direction in their personal Bible study The workbook was first produced as a method of giving notes and assignment questions quickly thereby leaving more valuable classroom time for explanations discussions and student participation The workbook may be placed in a regulation size binder Separate pages can be handed in when completed Other notes assigned papers and themes can be placed throughout the notebook This is in no sense a textbook It is hoped that no one will make the completion of the workbook a goal in itself but that the questions and notes may stimulate and guide each student in searching and knowing the Bible The questions do not cover all the important points in any chapter It is hoped however in the course of the study that all the main New Testament teachings will be brought out Most schools give about half the semester to the life of Christ in the gospels and the rest of the semester to Acts and the epistles Three or four chapters a day are usually assigned In order to cover all the main incidents in the life of Christ special emphasis has been chosen in each gospel Studying Mark first in four or five lessons as a short survey of Christ s life has proved a good start for students unfamiliar with the Bible The main miracles and chief characters then become familiar Matthew is more easily understood after having had this simple introduction to Christ through Mark Matthew is studied with emphasis on the teachings of Christ Students should become familiar with all unfamiliar terms Places mentioned should be located on the map In Luke the parables and new stories are especially noted The more intimate revelation of Jesus given in John s gospel should prove a personal blessing to each student Students should become familiar with the content of the simple chronological outline of Christ s life as drawn from the four gospels that has been included in this edition The Acts and the epistles are taken in the order they appear in the Bible The missionary message in Acts and the Christian life teachings in the epistles have been kept in mind Since time prohibits the complete study of each epistle a limited number of chapters have been selected for study Several teachers assign the Revelation as parallel reading giving a brief preview at the time of the assignment and a discussion of the book after it has been read It is my prayer that all who use this book will be guided by it into a deeper more personal knowledge of the living Word the Lord Jesus Christ as well as the written Word the Bible It is the teacher s wonderful privilege to bring from the Scripture its vital interesting message for personal living Students sometimes come from a Bible course saying Yes we learn the facts all right but that Book is too dull and boring for me That teacher had failed to take advantage of a most wonderful privilege The Book that was written to give men life should be taught in a way that presents real life to men May students come from your class

with the appreciation expressed in these comments Bible is the most interesting course I've ever had. I surely have learned to love the Bible. I read it every day now. Studying Bible has not only cleared up questions that have always puzzled me but it has helped me so much in my everyday living. It was through that Bible course that I became a Christian. I wouldn't have missed it for anything. CATHERINE B WALKER

Promise and Deliverance Student Workbook Harvey De Groot, 2020-04-15 When S G De Graaf wrote his four volume series *Promise and Deliverance* he showed educators how to teach Bible stories from a redemptive historical perspective. Rather than turning Bible stories into moralistic tales De Graaf taught us how all the Bible shows God revealing himself as the God of the covenant who is working out His redemptive plan for humanity and all of creation. The 80 workbooks written by Harvey De Groot are meant to supplement De Graaf's work. They are divided by volume and level number. 20 volumes with four levels per volume. Workbook lessons are written at four levels so that families with students in various grades can study the same Bible stories during the week in preparation for their classes on Sunday. Prior to class the Sunday School teacher should study the lesson in De Graaf's book. The teacher and students can go through the workbook during class. The levels are divided according to the following grades: Level One Grades K-1, Level Two Grades 2-3, Level Three Grades 4-6, Level Four Grades 7-8. Each volume contains 12 or 13 lessons and each lesson has the following sections: Reference The volume and lesson number in De Graaf's series; Scripture The passage from Scripture on which the lesson is based; Memory Verse A memory verse related to the lesson; Lesson Truth A short statement to help the class focus on the main point of the lesson; Lesson The lesson itself which the teacher can read in class. For older grades the teacher may opt to assign it as homework; Questions Items to be discussed in class. For older grades the teacher can assign these questions as homework but should also use them as a basis for class discussion. These are not the only questions that could or should be asked. Teachers should encourage students to come with their own questions as well. This edition was written by Harvey De Groot and edited by his son Norlan De Groot. This book is volume 4 which contains the following lessons: 1 Freedom to Serve the Lord Exodus 5:1-12, 2 Resurrection Exodus 12:1-13, 16:3 The Day of the Lord Exodus 13:17-15, 21:4 Borne on Eagles Wings Exodus 15:22-17:16, 5 The Covenant Established Exodus 18:24-6 The Mediator Exodus 32:34-7 God's Dwelling Place Exodus 25:31-35, 40:8 Consecrated to God Leviticus 8:1-10, 7:9 Israel's Calling Numbers 9:15-10:36, 10 For His Own Sake Numbers 11:1-11, 12 Illegitimate Honor Numbers 12:1-12 Light Shining in the Darkness Numbers 13:1-14
