Dracula Bram Stoker, 2010-09-01 These literary masterpieces are made easy and interesting This series features classic tales retold with color illustrations to introduce literature to struggling readers Each 64 page eBook retains key phrases and quotations from the original classics *Dracula* opens the door to the unknown Do all superstitions have a basis in reality or are they just folklore Bram Stoker's *Dracula* is one of the most feared and most loved tales in literature From Transylvania to London the reader explores the dark side of mystery and intrigue riding on the coattails of *Dracula*'s cape changing from wolf to bat and living on in the nighttime Do vampires really exist Read *Dracula* and decide for yourself **Start with a Story**

Clyde Freeman Herreid, 2007 Kipp Herreid learned other ways to teach much better ways His favorite approach puts science in vivid context through case studies which he calls stories with an educational message This compilation of 40 plus essays examines every aspect of the case study method back cover *Approaches to Teaching Stoker's Dracula* William Thomas McBride, 2025-03-03 This volume helps teachers contextualize Bram Stoker's *Dracula* in its historical and cultural moment considering psychology technology gender roles colonialism and anxieties about the other It also situates the novel among the kindred texts that have proliferated since its publication from film and television to the growing genre of vampire novels Essays explore the novel in terms of medical humanities contagion and the gothic as well as ethnicity identity and race Contributors analyze *Dracula* in the context of various ancient and modern cultural productions including classical Indian aesthetics and African American vampire literature and describe a broad range of classroom settings including a technical university a Hispanic serving institution and others *Australian Journal of Remedial Education*, 1980 **The Vampire Goes to College**

Lisa A. Nevárez, 2013-12-23 This collection of original essays presents pedagogical tools methods and approaches for incorporating the figure of the vampire into the learning environment of the college classroom in the hopes of ushering the Undead out of the coffin and into the classroom The essays foster interdisciplinary collaboration and dialogue and serve as a collective resource for those currently teaching the vampire as well as newcomers to vampire studies Opening with a foreword by Sam George the collection is organized around such topics as historicizing the vampire teaching the diverse vampire and engaging the student learner Interwoven throughout the volume are strategies for incorporating writing instruction and generating conversations about texts texts defined broadly so as to include film and other media The vampire allows instructors to explore timeless themes such as life and death love and passion immortality and monstrosity and Otherness *The Software Encyclopedia 2000* Bowker Editorial Staff, 2000-05 **Dracula's Cinematic Psychohistory**

Steven J. Walden, 2025-09-12 *Dracula* is a recognized resilient and recurrent cultural property He is idolized loved vilified and hated as a multifaceted perennial narrative focus that involves the interplay between film as art and its psychosocial milieu *Dracula*'s movies can thus be read as a cultural barometer reflecting the culture we create and re create in his many cinematic guises an object of attraction and terror antihero and villain lover and monster even victim and stooge This book

follows Dracula's cinematic journey exploring how he continues to tap into the ever changing collective psyche of his viewers. Many of those viewers may have entertained the thought that the fearful bite of the vampire might just be a worthwhile price to pay for the empowerment of being one. *Making Connections Level 2 Student's Book* Jo McEntire, Jessica Williams, 2013-06-17

Making Connections Second edition teaches an extensive range of reading skills and strategies to prepare students for the challenges of reading college textbooks. *Making Connections Level 2 Student's Book* introduces fundamental reading skills and strategies such as identifying main ideas, interpreting information in charts and graphs, and preparing for reading tests. It features a variety of high interest topics including news, media, education, global business, population growth, fashion, and design, and the brain. **The Video Source Book** David J. WEINER, 1990

Curriculum Review, 1982 **Previews**, 1978 **Electronic Education**, 1981 *The Developmental Psychologists* Matthew R. Merrens, Gary G. Brannigan, 1996. *The Developmental Psychologists: Research Adventures Across the Lifespan* follows upon the success of *The Undaunted Psychologist: Adventures in Research* and *The Social Psychologists: Research Adventures In The Developmental Psychologists* as in the previous books the authors give the reader an insiders view on the process of how psychological research takes place. *The Developmental Psychologists* is a dynamic collection of personal adventures that will help bring to life and enrich the material presented in a typical human development course. Contributors have provided lively accounts covering a broad range of topics that closely parallel texts in developmental psychology. As students read about the experiences of each contributor they will begin to see how these researchers encountered significant issues and developed research strategies to study them. The contributors show the interactions between one's personal life and career and how the two are often woven together in an interesting and successful manner. The contributors tell how they encountered research issues that were especially interesting, unique, and/or problematic and that demanded some form of resolution or understanding. In the process they provide an insider's view of developmental research by stressing critical thinking and problem solving aspects of research as well as the personal and situational factors that influence decisions making. **Instructor and Teacher**, 1982 *Rigatoni* Jeffery F Dow, 2021-02-12
