Native American Postcolonial Psychology:

Native American Postcolonial Psychology Eduardo Duran, Bonnie Duran, 1995-03-30 This book presents a theoretical discussion of problems and issues encountered in the Native American community from a perspective that accepts Native knowledge as legitimate Native American cosmology and metaphor are used extensively in order to deal with specific problems such as alcoholism suicide family and community problems The authors discuss what it means to present material from the perspective of a people who have legitimate ways of knowing and conceptualizing reality and show that it is imperative to understand intergenerational trauma and internalized oppression in order to understand the issues facing Native Americans today pub website

Anishinaabe Ways of Knowing and Being Lawrence W. Gross, 2016-04-15 Very few studies have examined the worldview of the Anishinaabeg from within the culture itself and none have explored the Anishinaabe worldview in relation to their efforts to maintain their culture in the present day world This book fills that gap Focusing mainly on the Minnesota Anishinaabeg Lawrence Gross explores how their worldview works to create a holistic way of living However as Gross also argues the Anishinaabeg saw the end of their world early in the 20th century and experienced what he calls postapocalypse stress syndrome As such the book further explores how the values engendered by the worldview of the Anishinaabeg are finding expression in the modern world as they seek to rebuild their society **A**

Conceptual Model of Psychological Distress in Native Americans Shari Ann Robinson, 2004 **Radical Psychology** Don Coyhis, Susan O. Gelberg, David D. Moore, Mathew A. Poteet, 2020-07-06 Radical Psychology outlines the psychological factors that shape multicultural competency and social justice effectiveness such as implicit and explicit biases difficulties in accurate self assessment of cultural competency and social justice skills and the historical biases that continue to shape Western psychological training and practice This book provides a challenging balance between research and professional reflections in order to appeal to readers with different cultural backgrounds and learning styles The diversity of the contributors underscores the need to include cultural experts as side by side colleagues consultants and supervisors in order to help Western psychologists expand their professional cultural paradigms and worldviews This book is recommended for psychologists counselors educators researchers social workers substance abuse counselors administrators students and mental health agencies **Native American Spirituality** Lee Irwin, 2000 Essays explore the meanings experiences beliefs and practices of traditional Native American spirituality and Native Christianity in the twenty first century

Negotiating History and Culture Karsten Fitz, 2001 Native American cultures have always succeeded to varying degrees in negotiating a balance between their tribal cultural heritage and the dominant culture In the present study the meeting between these cultures is not interpreted as a clash but as a cultural encounter in a contact zone The concept of transculturation serves as a theoretical model to analyze how history and culture are fictionally constructed in contemporary American Indian literature Developing a dynamic dialogic and reciprocal relationship between their native worldviews and literary techniques on the

one hand and those of the larger society on the other the writers examined in this study Anna Lee Walters Diane Glancy James Welch Linda Hogan Thomas King and Gerald Vizenor stress the processual nature of culture These writers demonstrate that transculturation functions as a major strategy of survival for Native Americans in the past and in the present
