North Atlantic Treaty Organization's Relevance in the Twenty-first Century John K. Jones,Army War College (U.S.),2012 The end of the cold war with Soviet Union in 1991 marked a beginning of a new era for the North Atlantic Treaty Organization NATO Left without a common enemy many wondered if NATO still had purpose or relevance When the world entered into the 21st Century the entire environment had changed The affects of Globalization the threats of failed or failing states non state actors the rise of global terrorism and the world s economic crisis dictated that NATO had to adapt This research paper analyzes the threats the world faces today and the evolution of NATO into a global security mission I maintain that NATO is as relevant if not more so in the 21st century than it was during the cold war
