Natural Garden 1995 Calendar:

The Publishers Weekly, 1996 *Old House Interiors*, 2000-12 National architectural magazine now in its fifteenth year covering period inspired design 1700-1950. Commissioned photographs show real homes inspired by the past but livable. Historical and interpretive rooms are included; new construction additions and new kitchens and baths take their place along with restoration work. A feature on furniture appears in every issue. Product coverage is extensive. Experts offer advice for homeowners and designers on finishing, decorating and furnishing period homes of every era. A garden feature, essays, archival material, events and exhibitions and book reviews round out the editorial. Many readers claim the beautiful advertising, all of it design related, no lifestyle ads, is as important to them as the articles. **American Horticulturist**, 1994

The Garden of Ideas Richard Aitken, 2010. The Garden of Ideas tells an inspiring and engaging story of Australian garden design. From the imaginings of emigrant garden makers of the late eighteenth century to the concerns of twenty-first century gardeners, this book charts its way across four centuries through a handsome and satisfying fusion of images and text. The Garden of Ideas is embellished with an unparalleled array of images: paintings, drawings, prints, plans and photographs, each richly evocative of their time and most never previously published. Unearthed from around Australia and many from overseas, these images carry the story of Australian garden style down the years in the process crisscrossing social and cultural history across the wide extremes of our continent. Richard Aitken, whose book *Botanical Riches* was published in 2006 to popular and critical acclaim, brings a lifetime of experience to *The Garden of Ideas*. He achieves fresh insights and presents our passion for garden making with wit and flair. *The Garden of Ideas* is a valuable source book for the sophisticated gardener and an indispensable companion for the garden lover. **Calendar** University of Manchester, 1927 **The**
