Religion in Process Johannes A. van der Ven, 2020-10-19 This book argues that contemporary Christianity is in crisis because freedom of religion is concealed and under pressure by secularization and migration A drastic change is necessary in the Catholic Church at first from a God given hierarchical structure to a democratic religion that rests on human dignity and human rights The text conveys that such a change that should happen from within will put an end to challenges such as in Catholicism where outside human rights are promoted but from inside a different story is told Cultural change in religion is also covered with the move from centuries old dictates to the reasonable justification of freedom of experiences symbols rituals and inter religious intercourse as well as the cross communication between believers and non believers alike This

approach makes religion an as yet unfinished religion The text appeals to researchers and academics working in human rights and religion *Schepping en ondergang in het oude Oosten* Jaap Soetendorp,1956 Erfgoed ,1991 Schets van de tienjarige geschiedenis van de EVP **De tweede reformatie** Hermanus Antonius Maria Fiolet,1969 **Encyclopaedie** Anthonij Winkler Prins,1951 Streven ,1957 *Winkler Prins encyclopaedie* Antony Winkler Prins,1951 *Philosophia reformata* ,1961
