A Conservative's Treatise on American Government Eric Hines, 2012-06-28 A Conservative s Treatise on American Government brings with the meaning of the Constitution s core which holds the keys to successful republican governance The book then describes their distortion by the Federal government s three branches followed by one modern Conservative s view of the corrections needed to return our government to working for is instead of on us Finally the book is a clarion call for all Americans to confirm the realignment elections of 2010 in 2012 and beyond The author finishes with this challenge from Leonidas to one who demand he lay down the implements of Greek freedom Come and take them

An Essay on the First Principles of Government Joseph Priestley, 2020-04-29 This is a reproduction of the original artefact Generally these books are created from careful scans of the original This allows us to preserve the book accurately and present it in the way the author intended Since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions We re happy to make these classics available again for future generations to enjoy

An Essay on the First Principles of Government (Classic Reprint) Joseph Priestley, 2015-07-06 Excerpt from An Essay on the First Principles of Government This publication owes its rise to the Remarks I wrote on Dr Brown s proposal for a code of education Several persons who were pleased to this favourably of that performance in which I was led to mention the subject of civil and religious liberty were desirous that I should treat of it more at large and without any immediate view

to the Doctor's work It appeared to them that some of the views I had given of this important but difficult subject were new and showed it in a clearer light than any in which they had felt it represented before and they thought I had placed the foundation of some of the most valuable interests of mankind on a broader and firmer basis than Mr Locke and others who had formerly written upon this subject About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
