and the other two were not. However, the first two were not significantly different from each other, and the last two were not significantly different from each other.

1996-1997

Second, because, under the existing government, the slaves are not to be considered as a class, but as individuals, and the master is not to be considered as a master, but as a man, and the slave as a man, and the master and slave are to be considered as equals, and the slaves are to be considered as equals to the masters.

The samples shown in the figure were obtained after 1000 h of aging at 100 °C.
