Children's Services Betsy Diamant-Cohen, 2010-05-31 Diamant Cohen past president of the Maryland Library Association's Children's Services Division gathers 18 examples of outreach partnerships to serve as inspiration for librarians and library administrators. Librarians from around the country describe their award-winning programs including reading readiness initiatives, story times for children with speech and language delays, serving children of incarcerated parents, and teaching storytelling to youth. The ideas are grouped in sections on partnership with community organizations, law enforcement, academic institutions, children's museums, cultural institutions, and business. Publisher: **Reading Specialists and Literacy Coaches in the Real World** MaryEllen Vogt, Brenda A. Shearer, 2016-04-29 This theoretical and practical guidebook prepares reading specialists and literacy coaches to develop and teach reading and language arts at the school and district levels. Using current information on the standards for literacy professionals, the text incorporates significant developments in intervention, assessment, adolescent literacy, and multiple literacies. Vogt and Shearer explore the expanding roles and responsibilities of reading specialists and their impact on instructional practice. The full featured and distinctive Third Edition offers opportunities for flexible teaching approaches as well as substantive coverage and tools such as the function of the literacy coach in Response to Intervention (RTI), guides to needs assessment, and two-year plans, the advancement of professional development, communities, portfolio, and self-assessment projects, and companion materials that include key terms, recommended readings, chapter vignettes, and online resources. **The Administration and Supervision of Literacy Programs** Shelley B. Wepner, Diana J. Quatroche, 2021 Readers gain insight into the research behind these issues and why they are particularly relevant to the 21st-century classroom. More importantly, one sees how these various topics should be operationalized in schools and classrooms, always with a good literacy leader guiding the way. From the Foreword by Jack Cassidy, past president, International Literacy Association. The Sixth Edition focuses on providing instruction at all grade levels and for different types of learners within the context of current state and federal mandates.
