Ooku The Inner Chambers Vol 11 Ooku The Inner Chambers:

Ōoku: The Inner Chambers, Vol. 11 Fumi Yoshinaga, 2016-11-15 Tokugawa Harusada connived for years to place her son in the shogun's seat and now she's enjoying holding all the reins of power while Ienari is relegated to breeding duties. But although his mother sees him as nothing but a mindless studhorse, Ienari has been reading *The Chronicle of a Dying Day* and dreaming of a better future for his country, one free of his mother's increasingly cruel control. **VIZ Media** **Ōoku: The**

Inner Chambers, Vol. 14 Fumi Yoshinaga, 2018-11-20 With the death of her monstrous father, Iesada is finally assured that she can have a consort who will survive life in the Inner Chambers. And she is delighted that the new spouse chosen for her is intelligent, kind, and considerate of her past trauma. But the consort, Taneatsu, comes to the court with a past of his own and an assignment from his liege lord that could pit him against his beloved shogun. **VIZ Media** **Ooku, the Secret World of the**

Shogun's Women Cecilia Segawa Seigle, Linda H. Chance, 2014-03-28 One of the least understood and often maligned aspects of the Tokugawa Shogunate is the Ooku, or Great Interior, the institution within the shogun's palace administered by and for the upper-class shogunal women and their attendants who resided there. Long the object of titillation and a favorite subject for off-the-wall fantasy in historical TV and film dramas, the actual daily life, practices, cultural roles, and ultimate missions of these women have remained largely in the dark, except for occasional explosions of scandal. In crystal-clear prose that is a pleasure to read, this new book, however, presents the Ooku in a whole new, down-to-earth, practical light. After many years of perusing unexamined Ooku documents generated by these women and their associates, the authors have provided not only an overview of the fifteen generations of Shoguns whose lives were lived in residence with this institution but how shoguns interacted differently with it. Much like recent research on imperial convents, they find not a huddled herd of oppressed women but, on the contrary, women highly motivated to the preservation of their own particular cultural institution. Most important, they have been able to identify the culture of secrecy within the Ooku itself to be an important mechanism for preserving the highest value, loyalty, that essential value to their overall self-interested mission dedicated to the survival of the Shogunate itself. **Barbara Ruch, Columbia University** The aura of power and prestige of the institution, known as the Ooku, the complex network of women related to the shogun and their living quarters deep within Edo Castle, has been a popular subject of Japanese television dramas and movies. Brushing aside myths and fallacies that have long obscured our understanding, this thoroughly researched book provides an intimate look at the lives of the elite female residents of the shogun's elaborate compound. Drawing information from contemporary diaries and other private memoirs as well as official records, the book gives detailed descriptions of the physical layout of their living quarters, regulations, customs, and even clothing, enabling us to actually visualize this walled-in world that was off-limits for most of Japanese society. It also outlines the complex hierarchy of positions and, by shining a light on specific women, gives readers insight into the various factions within the Ooku and the scandals that occasionally occurred. Both positive and negative aspects of life in the great interior are

represented and one learns how some of these high ranking women wielded tremendous social as well as political power at times influencing the decision making of the ruling shoguns In sum this book is the most accurate overview and characterization of the ooku to date revealing how it developed and changed during the two and a half centuries of Tokugawa rule A treasure trove of information it will be a vital source for scholars and students of Japan studies as well as women s studies and for general readers who are interested in learning more about this fascinating women s institution and its significance in Japanese history and culture Patricia Fister International Research Center for Japanese Studies Kyoto

Graphic Novels Michael Pawuk, David S. Serchay, 2017-05-30 Covering genres from adventure and fantasy to horror science fiction and superheroes this guide maps the vast terrain of graphic novels describing and organizing titles to help librarians balance their graphic novel collections and direct patrons to read alike New subgenres new authors new artists and new titles appear daily in the comic book and manga world joining thousands of existing titles some of which are very popular and well known to the enthusiastic readers of books in this genre How do you determine which graphic novels to purchase and which to recommend to teen and adult readers This updated guide is intended to help you start update or maintain a graphic novel collection and advise readers about the genre Containing mostly new information as compared to the previous edition the book covers iconic super hero comics and other classic and contemporary crime fighter based comics action and adventure comics including prehistoric heroic explorer and Far East adventure as well as Western adventure science fiction titles that encompass space opera fantasy aliens post apocalyptic themes and comics with storylines revolving around computers robots and artificial intelligence There are also chapters dedicated to fantasy titles horror titles such as comics about vampires werewolves monsters ghosts and the occult crime and mystery titles regarding detectives police officers junior sleuths and true crime comics on contemporary life covering romance coming of age stories sports and social and political issues humorous titles and various nonfiction graphic novels **Review of Japanese Culture and Society** ,2003 Consists mainly of articles reprinted from various sources published originally in Japanese since World War II **Arts & Humanities Citation Index** ,2000
