The tripartite cooperation of Greece - Israel - Cyprus for the EastMed Pipeline under the European Neighborhood Policy Framework Konstantina Tzima,2024-03-13 Seminar paper from the year 2023 in

the subject Politics Environmental Policy grade 1 0 Panteion University Athen International European Area Studies course EU External Relations language English abstract In this paper the aim is to analyze that environment from the energy perspective and to be more specific the role of the construction of the EastMed pipeline in transforming each of the countries involved in the project Greece Israel Cyprus as an energy hub for the transportation of natural gas to other EU countries The Eastern Mediterranean is a very complex region concerning the international political scene from various perspectives An environment of long term conflicts and instability is the key to understand and analyze the geopolitical shifts not only generally but also in the wider region regarding the neighboring states Greece Israel and Cyprus have signed a mutual agreement for the implementation of this Project of Common Interest under the European Neighborhood Policy Framework and it seems quite ambitious Nevertheless the challenges presented could not be omitted from this analysis not only financial ones but also those occurring from regional state actors such as Turkey which has adopted an overall negative stance towards the Project In addition the European gradual decarbonization policy seems to further hinder the implementation of the pipeline via the EU Green Deal initiative due to its plans which aim to the energy transition towards a cleaner greener environmentally sustainable future based on the model of the circular economy Therefore this paper initially presents an overview of the European Neighborhood Policy at the first chapter then it proceeds to analyze the stance of each state involved in the tripartite cooperation as well as the particular challenges each one deals with at the second chapter and last but not least it concludes at the third chapter with the impact of the Covid 19 pandemic on the Project and the shift of the European energy policy towards achieving the environmental viability by using the EU Green Deal Plan Finally an Annex at the end of this paper is provided in order to facilitate the reader s understanding of the facts here presented [The Wiley Guide to Managing Projects](#) Peter W. G. Morris,2004-09-27 This comprehensive resource presents the fundamentals of project management and ties them to strategic business systems and procedures This insightful guide demonstrates how project management fits into an organization and offers helpful advice on applying this knowledge on the job **Political and Legal Perspectives of the EU Eastern Partnership Policy** Tanel Kerikmäe,Archil Chocia,2016-01-23 This book examines EU Eastern Partnership taking into account geopolitical challenges of EU integration It highlights reasons for limited success such as systematic conflict of EU External Action In addition the book analyses country specific issues and discusses EaP influence on them investigating political economic and social factors while seeking for potential solutions to existing problems The reluctance of the Eastern countries to the European reforms should not reduce political pro activeness of the EU The authors suggest that EaP strategies should be reviewed to be more reciprocal and not based solely on the EU laden agenda This book is one of the good examples of cooperation between scholars not only from EaP and EU countries but also from different disciplines bringing diversity to the discussion process [Architectural Publications Index](#) ,2003
