Pastor J Anson Brandes:

The Literary World ,1882 Icelandic Spiritualism Loftur Reimar Gissurarson,2018-01-16 Icelandic Spiritualism is an engaging social anthropological study of the place of spiritualism in Icelandic church and society during the first half of the twentieth century Challenging standard theoretical approaches to the study of religion the book contributes a wealth of data on the history of religion and psychical research presenting it in a vivid descriptive narrative The authors trace the role of the spirit world in Icelandic culture giving particular attention to the distinctive history of Iceland s conversion to Christianity They focus on the appearance of modern spiritualism as a distinct phenomenon in Icelandic life The book studies the interaction between various groups in fin de siecle Icelandic society not least in the state church as mediumistic phenomena became widely reported through the newspapers To some Icelandic spiritualism may be considered a deviant case of Protestantism What makes this book interesting however is that the spiritualism is seen as integral to Iceland s transition to modernity While Icelandic Spiritualism concentrates mainly on the first half of the twentieth century it also provides a summary of the continuation of spiritualist phenomena up to the current period This intriguing study will be of interest to theologians philosophers sociologists psychologists and anthropologists Broad Learning Through Fusions Jiawei Zhang,Philip S. Yu,2019-06-08 This book offers a clear and comprehensive introduction to broad learning one of the novel learning problems studied in data mining and machine learning Broad learning aims at fusing multiple large scale information sources of diverse varieties together and carrying out synergistic data mining tasks across these fused sources in one unified analytic This book takes online social networks as an application example to introduce the latest alignment and knowledge discovery algorithms Besides the overview of broad learning machine learning and social network basics specific topics covered in this book include network alignment link prediction community detection information diffusion viral marketing and network embedding Cumulated Index Medicus ,1998 **Arts & Humanities Citation Index** ,1997
