training for you and your ministry team Rev Lloyd Tremain Paradise Community Church of the Nazarene A thorough practical and much needed Biblically sound treatment Wish it had been available 20 years ago when I could have use it to a great positive effect Dan Wilderman Retired Assemblies of God Pastor the order and practical instruction presented will benefit all organizational levels of any Christian Church today John Steffensen Radio Host Christ Today KKXX Radio Chico CA Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore or church maintenance or the myriad other duties needed to keep a church going The result was that the church stayed the same size Some leave others enter But no growth was apparent despite the considerable preaching talents of the pastor God is apparently making sure he has only the amount of people that he can handle We learn that the ancient church had some of the same challenges we face today Acts 6 14 says Now in those days when the number of the disciples was multiplying there arose a complaint against the Hebrews by the Hellenists because their widows were neglected in the daily distribution Then the twelve summoned the multitude of the disciples and said It is not desirable that we should leave the word of God and serve tables Read this as doing manual labor Therefore brethren seek out from among you seven men of good reputation full of the Holy Spirit and wisdom whom we may appoint over this business the manual labor but we will give ourselves continually to prayer and to the ministry of the word It was even bringing strife to the local body What did they do And what was the result The first thing the apostles did was pick out people they knew to be wise and that had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties the manual labor This freed up the apostles so they could minister the Word of God Wow Gods way is so simple and our grandiose plans just waste time and get nothing done Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes Gods church This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them **Real-Life Discipleship Training Manual** Jim Putman,Bill Krause,Avery Willis,Brandon Guindon,2014-02-27 Over 100 000 sold Reform the way small groups make disciples This companion training manual to Real Life Discipleship provides unique guidance and insight to pastors church leaders and their disciples as they work to create an effective discipleship program With a thorough results oriented process that can be applied in other contexts and cultures this manual explains the necessary components of disciple making so that every church member can play a part in reaching others for Christ A great leader s resource it shows you how to cultivate new leaders for the future and equip them to make disciples This manual includes these teaching tools Activities and questions that teach an effective Christlike approach to discipleship Training on how to identify recruit and develop gifted leaders from within your church fellowship An explanation of the role of personal relationships in making disciples Part of following Jesus is reaching out to others and sharing what we believe Develop the heart of a disciple maker in the members of your small

group and help them follow God's call to go and make disciples **A Training Manual for Assistant Pastors** A.
