Peter M. Siavelis

Pathways To Power Political Recruitment And Candidate Selection In Latin America:

Pathways to Power Peter M. Siavelis, 2012-03-31 A cross national analysis of political recruitment and candidate selection in six Latin American countries Argentina Brazil Chile Colombia Mexico and Uruguay Provides typology and theoretical insights for other countries in the region and around the world Provided by publisher New Paths for Selecting Political Elites Giulia Sandri, Antonella Seddone, 2021-05-15 This book provides a cross country study of the consequences of the expansion of intra party democracy the trend towards more inclusive methods of selection for party candidates and leaders and the impact of these on political elites in terms of sociopolitical profile and patterns of careers It explores the link between political organizations and political elites by studying the role of parties in parliamentary and political selection and its impact on the political leadership appointed Putting an emphasis on primary elections it analyses the party elites that emerge from those selection processes and those democratized organizational settings It focuses not only on the analysis of the processes through which party elites are selected and the consequences at the level of the party but also at the level of party elites themselves i e what impact party primaries have on the characteristics parties candidates and leaders The book offers a theoretical comparative and empirical account of the internal electoral processes of parties and their impact on political recruitment This book will be of key interest to scholars and students of political elites political parties and party systems electoral politics democracy populism and leadership and more broadly to comparative politics *Elections in Latin America* Kevin Pallister, 2024-02-27 Even as several Latin American countries have regressed to authoritarian rule in the first two decades of the twenty first century elections remain permanent and vital features of the region s political life Kevin Pallister provides an accessible overview of elections throughout Latin America including formal electoral institutions informal practices and the behavior of voters and candidates Through a wide ranging synthesis of scholarly literature and sources it offers a descriptive and analytical look at how elections in the region work from the legal rules of the game to the final counting of the votes and provides an even handed discussion of its complexities such as electoral integrity gender quotas the role of social media corruption in campaign finance and how elections can be instruments of both democracy and autocracy This comprehensive narrative from Mexico to Argentina is complemented with illustrative examples case studies and data By understanding how elections in Latin America work as flawed but indispensable institutions of democracy students and other readers will enhance their knowledge of contemporary Latin American politics and the important process of democratization in the region Do the Poor Count? Michelle M. Taylor-Robinson, 2010 With specific focus on Brazil and Honduras examines electoral and nominating institutions and clientelism in Latin America and the capacity of poor people to monitor and sanction officials Provided by publisher **CJLACS** , 2009 Parliaments and Citizens Cristina Leston-Bandeira, 2016-04-22 The relationship between parliaments and citizens is one of the least studied subjects in legislative studies yet this is a crucial dimension to understand parliaments and the role they play in our political systems

Furthermore this relationship has gained considerable visibility over the last decade thanks in part to the development of new media but also as a reaction to the trends of political apathy In a context of increasing political disengagement parliamentary discourse shifted attention from the traditionally predominant relationship with government to the relationship with citizens Issues of legitimacy became more directly associated with the link between parliament and citizens resulting in investment in new and more complex mechanisms for contact with citizens even in the more centralised systems This book looks at a wide range of case studies across Europe and beyond assessing overall strategies in the move towards stronger engagement with citizens It assesses the extent to which the shift in discourse has led to actual changes in parliamentary practice This book was published as a special issue of the Journal of Legislative Studies *Selección de candidatos, política partidista y rendimiento democrático* Flavia Freidenberg, Manuel Alcántara Sáez, Reuven Y. Hazan, 2009 The Bachelet Government Silvia Borzutzky, Gregory Bart Weeks, 2010 The central questions in this text are why labor issues have become very prominent under the Bachelet administration and what has the administration done to solve them From publisher description *Politics in Mexico* Roderic A. Camp, 2007 Thoroughly grounded in Mexican history and based on extensive field research this introduction examines the roots of Mexico's contemporary political culture and its democratic transformation Now in its fifth edition *Politics in Mexico* has been completely updated and revised to cover the 2006 presidential elections This edition features new data and tables based on original survey research that strengthens existing coverage of women religion and politics decision making political participation citizen socialization voter behavior federalism and electoral politics **Governing Together** Dávila Avendaño Dávila A., 2011 Achieving stability in government coalitions within presidential systems is not a common political phenomenon On March 11 2010 the Coalition of Parties for Democracy CPD Concertación de Partidos por la Democracia a coalition created in Chile to defeat Pinochet ended twenty years in power Its continuity is particularly surprising if we consider that this coalition was formed by parties and political leaders who in the sixties and at the beginning of the seventies were political enemies Why was the Concertación one of the most successful coalitions in Latin American political history From a political science point of view the most common explanations provided to understand this phenomenon have mainly been external focused on institutions and context We argue that the success of the Concertación was also due to its ability to sustain coalition governability in itself understood as the maintaining of coalitions and cabinet stability We analyze two dependent variables one at a party level maintaining coalitions and the other at an individual level cabinet stability We have two sets of explanations or independent variables for coalition and cabinet stability long term ones related to political learning and short term contextual ones related to presidential autonomy suprapartidismo the informal rules of power sharing and the political use of technocrats In developing our argument we build on hypotheses drawn from the literature on technocrats as well as different findings regarding coalition theory and informal rules Using descriptive statistics we analyze all the Concertación cabinets as a single case study contrasting it to earlier periods We also

explore variation across the four Concertacin administrations Our main finding is that in comparison to pre 1973 democracy the Concertacin administrations were more stable with the Aylwin administration the most stable We also observe that the patterns of power distribution and cabinet administration in the other Concertacin administrations vary in relation to how Presidents administer their autonomy suprapartidismo apply informal rules of power sharing and appoint technocrats Suprapartidismo is the independent variable that most explains change

The Politics of Decentralization in a Centralized Polity Rodrigo Mardones,2005 **Choice** ,2008 **Legislativo brasileiro em perspectiva comparada** ,2009 **Latin American Studies Association ... International Congress** Latin American Studies Association. International Congress,2003 **Programmatic and Non-programmatic Party-voter Linkages in Two Institutionalized Party Systems** Juan Pablo Luna Fariña,2006 **Thầy giáo và học sinh** Satithōn Thanānithichōt,**Thầy giáo và học sinh**,Thanaphan Laiprakōpsap,**Thầy giáo và học sinh** ,2018 Research on primary candidate selection within political parties for their parliamentary candidates in various countries **Book Review Index - 2009 Cumulation** Dana Ferguson,2009-08 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year

Pathways To Power Political Recruitment And Candidate Selection In Latin America Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Pathways To Power Political Recruitment And Candidate Selection In Latin America PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making

Pathways To Power Political Recruitment And Candidate Selection In Latin America

research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Pathways To Power Political Recruitment And Candidate Selection In Latin America PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Pathways To Power Political Recruitment And Candidate Selection In Latin America free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
