Antan D'enfance Patrick Chamoiseau, 1999-01-01 Using the playful orally inspired and partially invented language for which he is renowned Patrick Chamoiseau recalls the brilliant magical universe of his early childhood in Martinique At the center of this universe is his extraordinarily vigorous mother and her creative pragmatic ways of coping with poverty and five children As Chamoiseau presents these first impressions of an exceptional child growing up in a rich Creole culture he also reflects in oblique but incisive ways on colonialism He probes the boundary between reality and imagination between the child's awakening understanding and the adult's memory of those earlier days
