## **Patterns For Bead Looming:**

**Bead Weaving On a Loom** Katty Gabriel, 2023-01-30 Bead looming is a fun and easy technique that began long ago as a Native American decorative art form. Looming has evolved over the years and is often used by modern beaders to make stylish bracelets and accessories. As the style and forms of using a bead loom evolved, so did the tools, materials, and equipment. You can easily spice up loomed designs by using two-hole beads, leather, cording, fibers, fun patterns, and unique finishing options. Learning how to use a beading loom can catapult your craft repertoire. These handy little tools allow you to create complex and colorful beading patterns that you can use to complement a wide range of jewelry, apparel, and home decor crafts. From elaborate tribal patterns that pay tribute to the original designs made by Native Americans to gorgeous florals and geometrics for your trendy accessories, there's no vision you can't bring to life beading on a loom. In this book, *How to Bead Loom*, I will be teaching you everything you need to know in order to be able to carry out awesome projects on weaving on a bead loom, as also several other bead weaving projects.
