**Paul and Union with Christ** Constantine R. Campbell, 2015-05-05 Paul and Union with Christ fills the gap for biblical scholars theologians and pastors pondering and debating the meaning of union with Christ Following a selective survey of the scholarly work on union with Christ through the twentieth century to the present day Greek scholar Constantine Campbell carefully examines every occurrence of the phrases in Christ with Christ through Christ into Christ and other related expressions exegeting each passage in context and taking into account the unique lexical contribution of each Greek preposition Campbell then builds a holistic portrayal of Paul's thinking and engages contemporary theological discussions about union with Christ by employing his evidence based understanding of the theme This volume combines high level scholarship and a concern for practical application of a topic currently debated in the academy and the church More than a monograph this book is a helpful reference tool for students scholars and pastors to consult its treatment of any particular instance of any phrase or metaphor that relates to union with Christ in the Pauline corpus Paul and the Hope of Glory Constantine R. Campbell, 2020-11-24 A Unique Study of Pauline Eschatology that Is Both Exegetical and Theological One of the trajectories coming out of Constantine Campbell's award winning book Paul and Union with Christ is the significance of eschatology for the apostle Along with union with Christ eschatology is a feature of Paul's thinking that affects virtually everything else While union with Christ is the webbing that joins Paul's thought together eschatology provides the shape of his thought and thus gives shape to his teaching about justification resurrection the cross ethics and so forth There is considerable debate however about Paul's eschatology asking whether he is a covenant or an apocalyptic theologian In Paul and the Hope of Glory Campbell conducts a thorough exegetical study of the relevant elements of Paul's eschatological language metaphors and images including parousia the last day inheritance hope and others He examines each passage in context aiming to build inductively an overall sense of Paul's thinking The results of this exegetical study then feed into a theological study that demonstrates the integration of Paul's eschatological thought into his overall theological framework The study is comprised of three parts The first part introduces the key issues both exegetical and theological and sets the parameters and methodology of the book It also offers an historical survey of the scholarly work produced on Paul's eschatology through the twentieth century to the present day The second part contains the detailed exegetical analysis with chapters on each important Pauline phrase metaphor and image related to eschatology The third part turns its attention to theological synthesis It recapitulates relevant conclusions from the evidence adduced in part two and launches into theological discussion engaging current issues and debates This volume combines high level scholarship and a concern for practical application of a topic currently debated in the academy and the church More than a monograph this book is a helpful reference tool for students scholars and pastors to consult its treatment of any particular instance of any phrase or metaphor that relates to eschatology in Paul's thinking Union with Christ in the New Testament Grant Macaskill, 2013-11

In conversation with historical and systematic theology Macaskill argues that the union between God and his people is consistently represented by the New Testament authors as covenantal with the participation of believers in the life of God specifically mediated by Jesus the covenant Messiah      *"In Christ" in Paul* Michael J. Thate, Kevin J. Vanhoozer, Constantine R. Campbell, 2018-02-08

Nineteen biblical scholars and theologians in this volume explore the notions of union and participation within Pauline theology teasing out the complex web of meaning conveyed through Paul's theological vision of being in Christ With essays that investigate Pauline theology and exegesis examine highlights from reception history and offer deep theological reflection this exemplary multidisciplinary collection charts new ground in the scholarly understanding of Paul's thought and its theological implications      *Living in Union with Christ* Grant Macaskill, 2019-10-15

Leading New Testament theologian Grant Macaskill introduces Paul's understanding of the Christian life which is grounded in the apostle's theology of union with Christ The author shows that the exegetical foundations for a Christian moral theology emerge from the idea of union with Christ Macaskill covers various aspects of Christian moral theology exploring key implications for the Christian life of the New Testament idea of participatory union as they unfold in Paul's Letters      *Live Free in Christ!* Anthony K. Wright, 2016-11-07

In a culture that is running from Christ *Live Free in Christ* is a must read With over 25 years in Biblical studies I have yet to read such an in depth study on what it means to live in Christ Michael Winfrey Founder of Teen Talk This is a fresh and timely examination of living free in Christ Grounded in a careful handling of the Apostle Paul's letters this book offers sensitive encouragement to its readers The tone is pastoral the content is soundly biblical and the result is devotional I warmly recommend this offering for the sake of the church Constantine R Campbell PhD Associate Professor of New Testament Trinity Evangelical Divinity School Author *Paul and Union with Christ* An Exegetical and Theological Study You might ask So what does it mean to live free in Christ It means everything This book will increase your awe of Christ and the presence of the Holy Spirit After reading this book you will have a deeper level of humility commitment to the gospel and love towards others      **Triadosis: Union with the Triune God** Eduard Borysov, 2019-02-20

The complex nature of Christian communion with a personal God requires a nuanced expression Since its inception the early church affirmed God's unknowable nature and also participation in God through Christ The church fathers employed the language of theosis in talking about union with God and human transformation in the likeness of God However the term theosis or deification is a broad category and requires precise explanation to avoid human dissolution in the divine in the mystical union This book addresses the conundrum of imparticipable divine nature and personal union between human and the Trinity If God is Trinity then we are created and restored in the image of tripersonal God      **Union with Christ** Lewis B. Smedes, 1983

This is a print on demand book and is therefore non returnable How can a person who lived nearly two thousand years ago radically change a human life here now How can Jesus of Nazareth radically affect us as persons to the depths of our being How can he reach out over the great span of time that divides us from him and change us so profoundly

that we become new creatures in him The answer according to the Apostle Paul lies in the fact that Jesus Christ enters into union with us Lewis B Smedes believes that union with Christ is at once the center and circumference of authentic human existence Union with Christ is Smedes probing and sustained exegetical study of what Paul means when he speaks of our being in Christ and Christ being in us Hailed as a thoughtful discerning and thoroughly scriptural study when it was first published in 1970 under the title All Things Made New the book has been greatly streamlined in this edition By judiciously cutting away what now strikes him as scholarly clutter Smedes has produced a carefully condensed version of his earlier work while retaining its basic substance

**Man and Woman, One in Christ** Philip Barton Payne, 2015-05-05 Does Paul teach a hierarchy of authority of man over woman or does he teach the full equality of man and woman in the church and home In Man and Woman One in Christ Philip Barton Payne answers this question and more injecting crucial insights into the discussion of Paul's view of women Condensing over three decades of research on this topic Payne's rigorous exegetical analysis demonstrates the consistency of Paul's message on this topic and its coherence with the rest of his theology Payne's exegetical examination of the Pauline corpus is thorough exploring the influences on Paul his practice as a church leader and his teachings to various Christian communities Paul's theology instruction and practice consistently affirm the equal standing of men and women with profound implications for the church today Man and Woman One in Christ is required reading for all who desire to understand the meaning of Paul's statements regarding women and their relevance for Christian relationships and ministry today This work has the potential of uniting the church on this contentious issue

**In the Fullness of Time** Richard B. Gaffin Jr., 2022-04-18 An Exegetical Study of the Book of Acts and Pauline Theology Christians often skip a crucial starting point when studying the apostle Paul the foundations of his deeply nuanced theology Some studies on the book of Acts attempt to touch on every major theme in Paul's letters making them difficult to understand or prone to leaving out important nuances Christians need a biblical theological and exegetically grounded framework to thoroughly understand Paul's theology In this ebook Richard B Gaffin Jr gives readers an accessible introduction to Acts and Paul Building on a lifetime of study Gaffin teaches on topics including the redemptive historical significance of Pentecost eschatology and the fulfillment of redemptive history in the death and resurrection of Christ In the Fullness of Time is an exegetical textbook for pastors students and lay leaders seeking to learn more about Acts and Paul from a Reformed and evangelical perspective Explores the Foundations of Paul's Theology Offers a nuanced look at the core of Paul's thinking Wide Ranging Audience A valuable study for pastors theology students and lay leaders Thorough Yet Accessible An in depth look at Pauline theology that's accessible to readers

**Participating in Christ** Michael J. Gorman, 2019-09-17 World renowned scholar Michael Gorman examines the important Pauline theme of participation in Christ and explores its contemporary significance for Christian life and ministry One of the themes Gorman explores is what he calls resurrectional cruciformity that participating in Christ is simultaneously dying and rising with him and that cross shaped living infused with the life of the resurrected Lord

is life giving Throughout the book Gorman demonstrates the centrality of participating in Christ for Paul's theology and spirituality     Comprehensive Dissertation Index ,1984     Handbook of Evangelical Theologians Walter A. Elwell,1993
