Bookseller and the Stationery Trades' Journal ,1982 Paperback Writers Bill Harry,1985 An annotated bibliography of materials about the Beatles **The Bookseller** ,1979 The Paul McCartney Encyclopedia Bill Harry,2002 The Paul McCartney Encyclopedia is the most comprehensive book about Paul McCartney ever written By best selling author and Beatles expert Bill Harry this A Z of over half a million words will tell you everything you ever wanted to know about one of the greatest songwriters of the twentieth century What is the truth behind his relationship with Yoko Ono What was George Harrison s attitude toward him Why did he decide to dissolve the Beatles Did he and John Lennon come to a reconciliation What was his opinion about taking LSD What was Paul s life like behind bars in Japan Why has his former council house become a shrine With almost 2000 entries covering his family history from birth his many love affairs his opinions about drugs his songs records concerts and honours bestowed upon him over the years together with a full discography and bibliography this book is packed with new material and unique insights into the life of Paul McCartney Over 2000 seperate entries and 500 000 words make this the definitive book on Paul McCartney Bill Harry is the leading authority on the Beatles and founder of the music paper Mersey Beat that helped launch the Beatles **Film Review** ,1997 **Longer Than**

You're Alive David Michael,2019-05-31 Zack Richards has just turned fifty His mother passed away a year ago from breast cancer Six months ago the most beautiful girl in the world as Zack referred to her his wife Julie was killed by a drunk driver Now his father has become ill with some very peculiar symptoms Then to top it off his job as an engineer at Hunter Motors is being seriously threatened When all this is put together Zack is going through a mid life crisis of monumental proportions After a series of foreign and unexpected events Zack decides to begin a spiritual journey in the quest of nothing less than the meaning of life Why are all the important people in my life leaving me and where are they now that they re gone are the questions that fuel Zack s mission In the midst of his searching Zack s sister in law introduces him to the beautiful confident but vulnerable Brenda His best friend s wife introduces him to the perky vivacious and extremely vulnerable Sara

TeenSet, Teen Fan Magazines, and Rock Journalism Allison Bumsted,2024-10-15 Since the magazine s first issue in 1964 TeenSet s role in popular music journalism has been overlooked and underappreciated Teen fan magazines often written by women and assumed to be read only by young girls have been misconstrued by scholars and journalists to lack seriousness in their coverage of popular music TeenSet Teen Fan Magazines and Rock Journalism Don t Let the Name Fool You disputes the prevailing conception that teen fan magazines are insignificant and elevates the publications to their proper place in popular music history Analyzing TeenSet across its five year publication span Allison Bumsted shows that the magazine is an important artifact of 1960s American popular culture Through its critical commentary and iconic rock photography TeenSet engaged not only with musical genres and scenes but also broader social issues such as politics race and gender These countercultural discourses have been widely overlooked due to a generalization of teen fan magazines which have wrongly

presumed the magazine to be antithetical to rock music and as unimportant to broader American culture at the time Bumsted also examines the leadership of editor Judith Sims and female TeenSet staff writers such as Carol Gold By offering a counternarrative to leading male oriented narratives in music journalism she challenges current discourses that have marginalized women in popular music history Ultimately the book illustrates that TeenSet and teen fan magazines were meaningful not only to readers but also to the broader development of the popular music press and 1960s cultural commentary

The Cultural Dimensions of Peacebuilding Marty Branagan, 2024-10-08 This broad ranging book examines the creation through the arts and culture of societies that enjoy sustainable positive peace It begins with a critique of the pervasive nature of militarism and violence embedded deep in the cultural fabric of many societies influencing the language and discourses we use the films we watch our museums and histories our journalism and our education systems It also examines the roots of violence in our parenting styles gender roles and spiritual practices It contrasts this with an examination of a number of peaceful societies that already exist drawing useful lessons from their cultures It critiques discrepancies in history education with regard to war and peace and examines artistic and cultural processes institutions and artifacts designed to create peace such as peace museums and parks peace journalism peace education and resistance to violence through cultural means such as film making fine arts satirical theatre and protest music Solutions oriented it examines the efficacy of these attempts and suggests positive ways forward It also explores the role of gender in creating cultures of peace and the impacts on peacebuilding of cultivating peace within
