Young People's Illustrated Bible History Alvan Bond, 1878 *The Burning Time* Virginia Rounding, 2017-04-20 Smithfield settled on the fringes of Roman London was once a place of revelry Jesters and crowds flocked for the medieval St Bartholomew's Day celebrations tournaments were plentiful and it became the location of London's most famous meat market Yet in Tudor England Smithfield had another more sinister use the public execution of heretics Spanning the reigns of British history's most remarkable dynasty The Burning Time is a vivid insight into an era in which what was orthodoxy one year might be dangerous heresy the next The first martyrs were Catholics who cleaved to Rome in defiance of Henry VIII's break with the papacy But with the accession of Henry's daughter Mary soon to be nicknamed Bloody Mary the charge of

heresy was levelled against devout Protestants who chose to burn rather than recant At the centre of Virginia Rounding s vivid account of this extraordinary period are two very different characters The first is Richard Rich Thomas Cromwell s protégé who almost uniquely remained in a position of great power influence and wealth under three Tudor monarchs and who helped send many devout men and women to their deaths The second is John Deane Rector of St Bartholomew s who was able somehow to navigate the treacherous waters of changing dogma and help others to survive The Burning Time is their story but it is also the story of the hundreds of men and women who were put to the fire for their faith It is a gripping insight into a time when people were willing to die and to kill in the name of religion The Sunday school chronicle [afterw.] New chronicle of Christian education National Sunday school union,1877 *The Church School Journal* ,1877 The Teacher's Classified Lesson-material.
