VGC: The 2025 Guide to Video Games 1981 Media Ltd, 2025-05-30 Relive 2024's gaming highs, lows, and industry upheavals with this expertly curated year in review. There's no such thing as a quiet year in video games, and 2024 has been no different. For players, a steady stream of high-profile game releases has meant there's always been something new to play, regardless of what console, handheld, PC, or mobile device they were using. Meanwhile, behind the scenes, 2024 has been one of the most turbulent years in the history of the games industry, with widespread job losses, studio cuts, acquisitions, and other controversies. Video Games Chronicle, the expert source for video game news, has covered 2024's goings-on every step of the way, and this book summarises the entire year in one handy volume. Designed like an old-school games magazine, this book presents the VGC website's best coverage of 2024 in a more traditional format. Our News section takes you through all the major stories that took place throughout the year, allowing you to relive every moment, for better or worse. Our Reviews section contains every notable VGC game review from 2024, remastered and presented to you in physical form. We're big on preservation, you see. Our Features section offers some of our best long-form articles from the past year. Finally, our Previews section takes a look at some of the games coming in 2025. The world of online games media is a fast-moving one, and news and reviews usually arrive at breakneck speed, then disappear from our consciousness to be replaced with the latest stories. With this book, we hope to provide a more permanent summary of the year while also harking back to the days of the games magazines we loved so much.

Laver Cup 2025 Guide Paul Zillman, 2025-09-19 Laver Cup 2025 Guide From Federer's Vision to Global Stage The Laver Cup has grown from an ambitious idea into one of tennis's most anticipated spectacles and the 2025 edition in San Francisco promises to push the event into a new chapter. More than a tournament, it is a collision of eras, a rare moment when rivals sit shoulder to shoulder and when tennis sheds its solitude for the fire of team spirit. This book offers readers an inside look at how the Laver Cup was born, why it matters, and what the future holds. Whether you're a lifelong fan or someone discovering the competition for the first time, this guide unpacks the stories, rivalries, and innovations that make it unlike any other event in the sport. In these pages, you'll find the origins of the Laver Cup from Federer's inspiration to its first serve in 2017. The unique format, scoring system, and rules that set it apart from traditional tournaments. Profiles of Team Europe and Team World and how their rosters for 2025 reflect the shifting balance of power in tennis. The leadership of new captains Yannick Noah and Andre Agassi and the strategies they bring to the bench. Roger Federer's continuing influence on the Cup's identity, legacy, and global appeal. Notable players and iconic moments from past editions that shaped the competition's reputation. A preview of the 2025 matches in San Francisco where the next generation of stars collide with seasoned champions. The fan experience and community projects that make the Laver Cup more than just a weekend of elite tennis. At once a history, a guide, and a glimpse into the future.

Laver Cup 2025 Guide From Federer's Vision to Global Stage is an invitation to see tennis in a new way where every point counts twice, every bench roars as one, and every edition adds to a growing tradition.
