Susan White

Head of Customer Experience
Charter CARE Health Partners
7 Waterman Ave
North Providence, RI 02911

Dear Susan,

As someone who recognizes Charter CARE Health Partners as the premier Health and Human Service Agency in the East Bay, I was thrilled to see an opening for a Medical Receptionist position with your company. With my 5+ years of experience as a receptionist, I am confident in my ability to provide accurate and timely communication to patients and visitors in a courteous and respectful manner for Charter CARE Health Partners.

In the job listing, you state that you're looking for a skilled receptionist to be responsible for warmly greeting clients upon arrival, creating an inviting reception area, and entering data into your record system. In my current position with Lifespan, I ran the front desk of a 10 person primary care office and acted as a liaison between physician and patient walk-ins requiring immediate appointments. I also created an automated system to update how we schedule appointments and transportation for patients. My automation process cut down on missed visits and overbooking by 40%. I'm sure this experience will result in similar results for Charter CARE Health Partners.

I am impressed with the quality of the care you provide your patients and the atmosphere you create in your offices. Being part of your team and continuing to help with this mission would be a dream opportunity for my career development.

Can we schedule a meeting or a call to discuss solutions for optimizing reception processes at Charter CARE Health Partners while retaining your client satisfaction metrics?

Thank you,

Jason V. Cross

Revealing Britain's Systemic Racism Kimberley Ducey, Joe R. Feagin, 2026-01-22 Revealing Britain s Systemic Racism applies an existing scholarly paradigm systemic racism and the white racial frame to assess the implications of the Duchess of Sussex s entry and place in the British royal family including an analysis that bears on visual and material culture The white racial frame as it manifests in the UK and internationally represents an important lens through which to map and examine contemporary racism and related inequities By questioning the long held but largely anecdotal beliefs about racial progressiveness in the UK the authors provide an
