Decisions and Orders of the National Labor Relations Board United States. National Labor Relations Board,2000

Growing Local Robert P. King,Michael Stephen Hand,Miguel I. Gómez,2014 In an increasingly commercialized world the demand for better quality healthier food has given rise to one of the fastest growing segments of the U S food system locally grown food Many believe that relocalization of the food system will provide a range of public benefits including lower carbon emissions increased local economic activity and closer connections between consumers farmers and communities The structure of local food supply chains however may not always be capable of generating these perceived benefits Growing Local reports the findings from a coordinated series of case studies designed to develop a deeper more nuanced understanding of how local food products reach consumers and how local food supply chains compare with mainstream supermarket supply chains To better understand how local food reaches the point of sale Growing Local uses case study methods to rigorously compare local and mainstream supply chains for five products in five metropolitan areas along multiple social economic and environmental dimensions highlighting areas of growth and potential barriers Growing Local provides a foundation for a better understanding of the characteristics of local food production and emphasizes the realities of operating local food supply chains

Z.E.R.O. Joseph Jaffe,Maarten Albarda,2013-10-07 The world has changed Everyone keeps reminding marketers and advertisers about the never ending and accelerating forces of technology disruption consumer changes and innovation evolution in the marketing world today Sounds exciting except for the fact that we're doing absolutely nothing about it Zero Simply put under current operating conditions the advertising industry will not be able to sustain itself and without taking action is likely to result in severe to catastrophic outcomes from financial underperformance to job loss to even a collapse of the current media ecosystem The solution The Marketing Model can be fixed by slashing your ad budget and investing in the Z E R O framework Zealots Entrepreneurship Retention Owned Assets

Electronic Commerce 2018 Efraim Turban,Jon Outland,David King,Jae Kyu Lee,Ting-Peng Liang,Deborrah C. Turban,2017-10-12 This new Edition of Electronic Commerce is a complete update of the leading graduate level advanced undergraduate level textbook on the subject Electronic commerce EC describes the manner in which transactions take place over electronic networks mostly the Internet It is the process of electronically buying and selling goods services and information Certain EC applications such as buying and selling stocks and airline tickets online are reaching maturity some even exceeding non Internet trades However EC is not just about buying and selling it also is about electronically communicating collaborating and discovering information It is about e learning e government social networks and much more EC is having an impact on a significant portion of the world affecting businesses professions trade and of course people The most important developments in EC since 2014 are the continuous phenomenal growth of social networks especially Facebook LinkedIn and Instagram and the trend toward conducting EC with mobile devices Other major developments are the expansion of EC globally especially in

Lectures Delivered to the Employees of the Baltimore and Ohio Railroad Company Baltimore and Ohio Railroad Company, Henry Newell Martin, Henry Sewell, 1882 *Covid U: Business Lessons From A Pandemic* Jay Prag, Amanda Ishak Prag, 2022-12-19 From every angle the world has faced unprecedented change over the past two years. Academics will be dissecting the nuance of the COVID 19 Crisis for decades to come. Yet for all the promises of research and data we must understand that the full impact of the pandemic from child development and college football seasons to healthcare breakthroughs and the future of the film industry will not be known for at least a generation. This book focuses on the business lessons we have learned since the pandemic began in early 2020. It takes an interdisciplinary approach to examining the effects of COVID 19 on multiple aspects of business such as marketing and finance. At the same time it stresses the need to consider the human element of business above all else showing that people are the most important piece of what has become a devastating and unpredictable puzzle.
