Bombshell Mike Rothmiller, Douglas Thompson, 2021-07-08 Bobby called He's coming to California. He wants to see me. Drawing on secret police files, Marilyn Monroe's private diary and never before published first hand testimony, this book proves that Robert Kennedy was directly responsible for her death. It details the legendary star's tumultuous personal involvement with him and his brother President John Kennedy and how they sought to silence her. The new evidence and testimony is provided by Mike Rothmiller who as a detective of the Organized Crime Intelligence Division (OCID) of the LAPD had direct personal access to hundreds of secret LAPD files on exactly what happened at Marilyn Monroe's Californian home on August 5, 1962. With his training and investigator's knowledge, Rothmiller used that secret information to get to the heart of the matter to the people who were there the night Marilyn died, two of whom played major roles in the cover up and the wider conspiracy to protect the Kennedys at all costs. There will be those with doubts but to them the lawman who directed international intelligence operations targeting organized crime says the printed forensic and oral evidence are totally convincing. He insists: If I presented my evidence in any court of law I'd get a conviction. **Murder Inc** Burton B.
