Odd Balls Funny Side Rugby:

Odd Balls John Scally, 2016-04-04 Rugby is not a game for those who think that centres are what you find in a box of Black Magic or who confuse Jonah Lomu with Joanna Lumley At the same time it is not a game for the bright what kind of tortured mind would invent an oval ball Of course it helps if you know the rules and don t have any fear In this respect you are in the same boat as most referees particularly if you have a problem with your eyesight Odd Shaped Balls is a collection of stories that evoke the fun and frolics of all players great and small It snoops inside sweaty smelly dressing rooms reveals the passions of coaches and fans without whom rugby would cease to exist and delves deep into the sport s archives to recall its heroes villains and victims all of whom are part of the daily currency The book is no less than a who s who of rugby with both old and young getting the opportunity to have their say Odd Shaped Balls captures the humour the agony and the ecstasy of one of the world s most popular sports mad hatters from Max Boyce to Keith Wood from Sean Fitzpatrick to Austin Healy Bill Beaumont and his streaker to Gavin Hastings from Gareth Edwards to David Campese and from the man in the scrum to the man at the bar All exponents of surrealism comic genius and savage wit they offer a quirky insight into the sporting psyche as well as providing some riotous good laughs With hundreds of funny stories Odd Shaped Balls is a light hearted romp through decades of rugby tomfoolery that is guaranteed to put a smile on the face of all sports fans **1.000**

Assembly West Point Association of Graduates (Organization).,2003 **Focus**, 1993 *Flight of a White Dinosaur* James Edward Harris Jr., 2011-11-16 What I see happening in America and Virginia is much like a dam on a river maybe even the James River which I have come to love even after many official trips along the river chasing juvenile escapees I cut my teeth while hunting on small streams and rivers such as the Bush Briery and Buffalo Rivers in Prince Edward County and the Tongue Quarter and Willis Rivers in Buckingham County All of these are secondary or primary tributaries to the James River so the way I see it my destiny was to work down to a mighty river that easily gets out of its banks figuratively speaking with one type of corruption after another I saw it as my mission to plunge myself into the river or the irregularities and now to report to you on what I learned. When the river's temperature is within certain ranges and the water flow is smooth and unencumbered everyone is happy and at one with the mighty James. Domestic tranquility in our Constitution is what we strive for but unfortunately our country and the Commonwealth of Virginia have gone off the deep end with cherished principles I am not alone there are many who are disenfranchised because they see deadbeats of various types on the public dole and our citizens not undergoing a common struggle.

It will come as no surprise that it is not politically correct. What might be a surprise is it is full of common sense a commodity so sadly lacking in most modern day politicians. Born in 1949 it covers a fascinating post war period from rationing to obesity. Like most Brits of a certain age he does not think we are happier than we were and explains perhaps why
