A man waits at a London airport for the love of his life to arrive. Across the Atlantic a retired cop waits in a bar in Florida's Key West for his first date with the lady who is his soulmate. The two men are about to discover they've been scammed out of almost every penny they have in the world and that neither women exist. In the same week Roy Grace is called to investigate the suicide of a woman in Brighton that is clearly not what it seems. As his investigations continue a handsome motivational speaker comes forward. He's discovered his identity is being used to scam eleven different women online. The first he knew of it was a phone call from one of them saying You don't know me but I thought I knew you. That woman is now dead. Roy Grace realizes he is looking at the tip of an iceberg. Can he bring down the murderous global empire built on clever, cruel internet scams? Although the Roy Grace novels can be read in any order, Dead at First Sight is the fifteenth title in the bestselling series.
