[Discipling the Flock](#) Paul Tautges, 2018-06-08 Discipling the Flock is a short book to help church leaders bring about heart based change in the lives of the people they shepherd through the personal ministry of the Word. Here is an urgent appeal to return to authentic discipleship here is a call to shepherds to be tenacious in their preaching of the whole counsel of God and tender in their application of its truth to the lives of God's sheep through their personal ministry. Discipling the Flock calls church shepherds to joyfully embrace Christ's calling to feed my sheep and explains the personal application of the Great Commission. [Help! He's Struggling With Pornography](#) Brian Croft, 2014-09-30 A small book for men struggling with pornography. This is an unprecedented time. Sexually explicit material is more readily available now than ever before and a struggle with pornography is often the greatest snare for a Christian man today. Though Christians have been transformed by faith in our Savior Jesus we are harmed by our sex saturated culture. So how can a Christian man find victory over pornography? This booklet presents the only true solution God's power working through the gospel within the context of the local church.

[Prepare Them to Shepherd](#) Brian Croft, 2014-06-03 Are You Called to Ministry? Those who are involved in full time ministry often say they have been called to do what they do. But what does that mean? Who does the calling and how is it received? In Prepare Them to Shepherd pastor Brian Croft unpacks the biblical model for preparing individuals for full time ministry. In the past training and sending individuals into full time pastoral ministry and missionary work was viewed as the responsibility of the local church. Today much of that responsibility has been delegated to Bible colleges, seminaries and parachurch and mission organizations. The aim of Prepare Them to Shepherd is to challenge local churches to recover the biblical model for ministerial training and assume responsibility to identify and prepare gifted and godly individuals for service in Christ's body. Part of the Practical Shepherding series of books this insightful book provides pastors and ministry leaders with the practical help they need to test, train, affirm and send those who are called into ministry. [Counsel Your Flock](#) Paul Tautges, 2009 An urgent call to ministers to engage in biblical ministry and to lead the flock to spiritual maturity and equip it for effective service. [Core Concepts of Shepherding](#) Dag Heward-Mills, 2016-06 An unparalleled expos for pastors. Vital information on developing committed members. An in depth study on the activities of shepherds. A practical
