*The Partner* Joseph Conrad, 2019-07-14 Written at various times under various influences the four stories contained in Within the Tides are linked by Conrad's treatment of loyalty and betrayal. They range in setting from the Far East via eighteenth century Spain to England. The tone shifts from the tragic inevitability of The Planter of Malata and the pathos of Because of the Dollars to the gothic The Inn of the Two Witches and the grim humour of The Partner. The form of the stories was experimental but does not obscure Conrad's humanity or his search for moral truth.

**The Partner** Joseph Conrad, 2021-04-17 And that be hanged for a silly yarn. The boatmen here in Westport have been telling this lie to the summer visitors for years. The sort that gets taken out for a row at a shilling a head and asks foolish questions must be told something to pass the time away. D ye know anything more silly than being pulled in a boat along a beach. It's like drinking weak lemonade when you aren't thirsty. I don't know why they do it. They don't even get sick. A forgotten glass of beer stood at his elbow the locality was a small respectable smoking room of a small respectable hotel and a taste for forming chance acquaintances accounts for my sitting up late with him. His great flat furrowed cheeks were shaven a thick square wisp of white hairs hung from his chin its wagging gave additional point to his deep utterance and his general contempt for mankind with its activities and moralities was expressed in the rakish set of his big soft hat of black felt with a large rim which he kept always on his head. His appearance was that of an old adventurer retired after many unholy experiences in the darkest parts of the earth but I had every reason to believe that he had never been outside England. From a casual remark somebody dropped I gathered that in his early days he must have been somehow connected with shipping with ships in docks. Of individuality he had plenty. And it was this which attracted my attention at first. But he was not easy to classify and before the end of the week I gave him up with the vague definition an imposing old ruffian.
