How to pass the train driver selection process.

### THE QUALITIES & ATTRIBUTES YOU WILL NEED

(The key qualities have been highlighted in red)

As well as driving the train, you'll have a number of **customer service** responsibilities – addressing passengers using the on-board PA system, keeping them informed and helping to develop **good passenger relations**. You'll also make sure their **safety** is paramount at all times, **reacting quickly and calmly** in an **emergency** situation and **reporting** incidents wherever necessary.

Our train drivers need to be able to **maintain exceptional levels of concentration** – after all, this is a **high-pressure** role, calling for you to be **cool, calm and responsible**. You'll also be a **strong communicator**, and capable of **working on your own initiative**.

**Flexibility** is also essential, since trains operate 24 hours a day, all year round. That means your shift lengths and patterns will vary, including early starts, late finishes, weekends and bank holidays.
