## **Passion For Needlepoint:**

**A Passion for Needlepoint** Hayat Palumbo, 1991      *Adventures in Needlework* Jessica Aldred, Emily Peacock, 2011 This is a book of bright and funky designs that shows how stitching has become seriously stylish The unique projects bridge the gap between craft interior design and progress in difficulty throughout These UK authors have produced a stunning book that will appeal to both beginning and experienced stitchers      *A Passion for Needlework* Inspirations Studios, 2018-10 Needlework an obsession since the beginning of time A passion for needlework Factoria VII tells the story of beautiful sophisticated needlework juxtaposed with a rustic industrial cottage Twelve extraordinary needlework projects One texture rich stone and wood cottage The passion continues as a new adventure awaits within Back cover      **Intimate Home** Victoria Magazine, Alice Wong, 2004 Victoria magazine pays tribute to private spaces special places where a joyful love of life thrives and every day offers a round of pleasures With the help of the magazine's experts and 85 exquisite color photos a haven can exist right in your very own home All it takes is some imaginative decorating and emotional furnishings devoted to your personal pursuits For example you might install a cushioned window seat for solitary reverie keep a basket with stationery and pen at the ready or showcase favorite collectibles that will delight your eye Bedrooms and baths emphasize grace and light with creamy linens flowery coverlets and gossamer sheer curtains Inspirational writings from beloved authors such as Virginia Woolf Balzac and Saki accompany the superb photos      **A Crafter's Book of Angels** Deborah Morgenthal, 1996 Ranging from the traditional and romantic to the wacky and whimsical a variety of angels graces clothes jewelry wreaths and swags and decorations for the home Created by 49 talented designers the projects in this beautifully illustrated full color book use many different techniques and materials including quilting embroidery polymer clay salt dough woodworking papier mâché paper cutting stained glass batik tin and wire and florals and naturals The designers see angels that vary in gender ethnicity age and every possible aspect of physical appearance This diversity of style materials and technique makes this an appealing book you'll enjoy using for years to come Detailed instructions Photos      *Love in the Time of Self-Publishing* Christine M. Larson, 2025-09-16 Lessons in creative labor solidarity and inclusion under precarious economic conditions As writers musicians online content creators and other independent workers fight for better labor terms romance authors offer a powerful example and a cautionary tale about self organization and mutual aid in the digital economy In *Love in the Time of Self Publishing* Christine Larson traces the forty year history of Romancelandia a sprawling network of romance authors readers editors and others who formed a unique community based on openness and collective support Empowered by solidarity American romance writers once disparaged literary outcasts became digital publishing's most innovative and successful authors Meanwhile a new surge of social media activism called attention to Romancelandia's historic exclusion of romance authors of color and LGBTQ writers forcing a long overdue cultural reckoning Drawing on the largest known survey of any literary genre as well as interviews and archival research Larson shows how romance writers

became the only authors in America to make money from the rise of ebooks increasing their median income by 73 percent while other authors plunged by 40 percent The success of romance writers Larson argues demonstrates the power of alternative forms of organizing influenced by gendered working patterns It also shows how networks of relationships can amplify or mute certain voices Romancelandia s experience Larson says offers crucial lessons about solidarity for creators and other isolated workers in an increasingly risky employment world Romancelandia s rise and near meltdown shows that gaining fair treatment from platforms depends on creator solidarity but creator solidarity in turn depends on fair treatment of all members
