LOVING (JR.),2020-10-20 This book gives advice on how to wisely use our time on earth I view it as a sort of prescription for life and as a physician surgeon who has written numerous prescriptions each day for over thirty years I feel I have something good to share This book is unique in format because while some of the articles are essays others tend to outline instructions with explanations This book is simple and clear yet the lessons are important to learn and follow It gives specific examples on how to apply these important principles in our daily activities This book is a collection of my writings over the past ten years [Gunton's Magazine](#) George Gunton,1895 **Lifelong Learning** ,1986 *From These Roots* Jeff Deel,2024-02-20 Part memoir part inspirational Jeff Deel s From These Roots tells of his sometimes michievious childhood as the son of a holiness preacher and the change of heart and events that led him as an adult to work

alongside his brother ministering to the lost and forgotten people of Atlanta's inner city. Through Jeff's stories from his own past along with those of the countless transformations he has witnessed at City of Refuge readers will see how being a follower can be just as important as being a leader. Jeff Deel has lived in the shadow of his older brother Bruce for his entire life. He wouldn't have had it any other way. While being the sons of a holiness preacher they still found ways to get into their fair share of mischief with older brother Bruce taking on the role of leader for better or worse. Yet Jeff never questioned his place as his brother's follower and supporter for better or worse. Then came adulthood and Jeff's turbulent search to find himself. Through a series of failed occupations and the desire to avoid ministry at all costs Jeff was predictably led right back to his brother's side. This time instead of finding mischief Jeff and Bruce worked together building the City of Refuge in Atlanta. Through their work COR has welcomed thousands upon thousands of individuals who have found themselves in dire straits whether as victims of abuse and sex trafficking or as people whose own choices have thrust them to rock bottom. Jeff and Bruce have found their experience watching their parents minister to the least of these and teaching them what it means to offer a person dignity love and hope prepared them more than they ever could have realized. *Gunton's Magazine of American Economics and Political Science*, 1895
