Christianity Movements Institutions Allegiance traces how the largest religion in the world continues to be expressed in
energetic global dynamic forms In contemporary times Christianity is increasingly exposed to divisions not only through its
traditional channels Roman Catholic Protestant and the Orthodoxy nor conservative and liberal streams but numerous
nuanced articulations This is reflected in the roles of clergy and lay people in organisational dynamics sources of allegiance
and articulations of the faith movements of renewal and revivalism syncretic modes and broader relationships with wider
cultural trajectories and changing social circumstances Collectively the contributors to this volume offer a comprehensive
exploration of these themes The volume is a companion to the Handbook of Global Contemporary Christianity *Adventist*
