## **Paths In Utopia Martin Buber Library:**

*Paths in Utopia* Martin Buber, 1996-11-01 Originally published New York Macmillan 1950      **The First Jewish Environmentalist** Yuval Jobani, 2023 Aharon David Gordon 1856 1922 is increasingly being recognized as the first Jewish environmentalist Long before global warming became a major threat Gordon warned against the mounting dangers of human assault on nature and urged us to open ourselves to nature and re attune with it The First Jewish Environmentalist introduces Gordon s ideas and sets them in their historical context shedding new light on the interconnections between religion culture education and the environment The book expands Gordon s canonical status beyond the realm of Hebrew culture and extracts from Gordon s philosophy empowerment and inspiration for seekers advocating the protection of our planet

Union Catalog of the Graduate Theological Union Graduate Theological Union. Library, 1972      **The Challenge to Friendship in Modernity** Heather Devere, Preston King, 2013-11-05 In antiquity it was not only Aristotle who assumed the people are more to be understood in relation to one another than as individual or solitary constructs This examination considers the changing attitudes to friendship since antiquity      **Nietzsche & Anarchism: An Elective Affinity and a Nietzschean reading of the December '08 revolt in Athens** Christos Iliopoulos, 2019-10-15 This book aims to establish the bond between Friedrich Nietzsche and the anarchists through the apparatus of elective affinity and to challenge the boundaries of several anarchist trends especially classical and post anarchism and ideologies like anarchism and libertarian Marxism Moreover it highlights the importance of reading Nietzsche politically in a radical way to understand his utility for the contemporary anarchist movement The review of the literature concerning the Nietzsche anarchy relationship shows the previously limited bibliography and stresses the possibility of exploring this connection with the methodological help of Michael L wy s concept of elective affinity The significance of this finding is that the relevant affinity may contribute to an alternative to the dominant perception of anarchism as an ideology It may also designate its special features together with its weaknesses meaning the objections of Nietzsche to certain aspects of the anarchist practices and worldview violence resentment bad conscience thus opening a whole new road of self criticism for the anarchists of the twenty first century In addition the location and analysis of the elective affinity serves the debunking of the Nietzschean concepts used by conservative and right wing readings in order to appropriate Nietzsche and of the accusations that the German philosopher had unleashed against anarchists which reveals his misunderstanding of anarchist politics The final part of this book applies the whole analysis above on a Nietzschean reading of the December 08 revolt in Athens based on the Of the Three Metamorphoses discourse from Thus Spoke Zarathustra offering an alternative view of the events that shook Greece and also had an important global impact      **The Existential Philosophy of Etty Hillesum** Meins G. S. Coetsier, 2014-01-09 In The Existential Philosophy of Etty Hillesum Meins G S Coetsier breaks new ground by demonstrating the Jewish existential nature

of Etty Hillesum's spiritual and cultural life in light of the writings of Martin Buber Emmanuel Levinas and Dietrich Bonhoeffer Hillesum's diaries and letters written between 1941 and 1943 illustrate her struggle to come to terms with her personal life in the context of the Second World War and the Shoah By finding God under the rubble of the horrors she rediscovers the divine presence between humankind while taking up responsibility for the Other as a way to embrace justice and compassion In a fascinating accessible and thorough study Coetsier dispels much of the confusion that assails readers when they are exposed to the bewildering range of Christian and Jewish influences and other cultural interpretations of her writings The result is a convincing and profound picture of Etty Hillesum's path to spiritual freedom     **Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** New York Public Library.
