Tourism and Hospitality Education Abdallah M. Elshaer, Asmaa M. Marzouk, 2026-02-12 Worldwide the tourism and hospitality industry has been expanding quickly over the past two decades as a result of globalization The role of tourism and hospitality education at colleges universities and vocational schools plays a critical role in achieving excellence in the tourism industry In the tourism and hospitality industry being a highly competitive work market focused on services there is the constant demand for developing educational programs that emphasize professional skills along with student quality This new book looks at how higher education in tourism and hospitality meets the demands and expectations of today's tourism and hospitality industry

The Impact of Tourist Activities on Low-Density Territories Rui Pedro Marques, Ana Isabel Melo, Maria Manuela Natário, Ricardo Biscaia, 2021-03-17 This book tackles the question of how tourism development and suitable policies can be used to promote sustainable development in Low Density Territories LDTs The respective chapters written by prominent experts identify the problems associated with LDTs highlight the comparative advantages of these territories with regard to tourism propose methodologies for assessing the impact of tourism and present case studies on the application of sustainable policies in tourism Given its scope it will be especially interesting for academics and researchers investigating LDTs and sustainable tourism and for policymakers interested in developing these territories LDTs represent an economic challenge especially because most of them are home to an increasingly ageing population unable to pursue economic development In these territories tourism is emerging as an excellent opportunity to promote innovative dynamics to lure investment and to attract new people However it is important to promote sustainable tourism which preserves the environment and communities quality of life

The Chapter Tourism immigrants and lifestyle entrepreneurship The In coming of people as a key factor for sustainability of low density territories A case study in Portugal is available open access under a Creative Commons Attribution 4.0 International License via link [springer.com](https://www.springer.com)
