Conclusion Conclusion Index of Greek words discussed Index of key passages discussed Index of subjects     **Paul's Necessary Sin** Timothy Ashworth, 2016-12-05 How can we know today what was happening in the minds and hearts of Paul and the first Christians so long ago By getting below the surface of Paul s theology the consistent key elements of early Christian experience are revealed in a way that throws light on the meaning of powerful religious experiences and movements both in the past and today Illuminating for those who have never read a word on Paul yet disturbing and provocative for biblical scholars this book tackles the topic of the religious experience of Paul and the first Christians Lacking authentic knowledge of Paul s liberating experience generations of translators and interpreters have inevitably and sometimes clumsily obscured Paul s meaning In this book the scholarly accusation that Paul is incoherent is turned upside down to show how uncritically accepted ways of translating Paul mislead today s reader and introduce a mystifying complexity into scholarship on Paul Taking the reader step by step through a painstaking restoration of the meaning of Paul s text the colour and form of Paul s original vision are revealed     *Commentary on St. Paul's Epistle to the Romans* Frédéric Louis Godet, 1883     **Saint Paul's Epistle to the Galatians** Joseph Barber Lightfoot, 1887     **St. Paul's Epistle to the Galatians, a revised text with intr., notes, and dissertations, by J.B.
