Coding for Children and Young Adults in Libraries Wendy Harrop, 2018-07-15

Coding for Children and Young Adults in Libraries is an all inclusive guide to teaching coding in libraries to very young learners as young as 4 or 5 years old. This book will provide all librarians whether they are brand new to the idea of coding or fairly experienced with it with both the foundation to understand coding and tools they can use. The book features lessons ideas and information about the newest and the best coding tools and templates for creating coding clubs and classes. It also provides options for all technology environments for those libraries with very few devices available to those with many to choose from. Readers will both learn the essentials for teaching coding to young kids as well as how to organize coding programming in the library. This book takes an in depth look at what tools are available both high tech and low to help kids learn this important skill. Whether you're a novice or experienced in the world of coding this book will have what you need to set up library coding clubs help kids with game design and even program robots.

The New Age of Sexism Laura Bates, 2025-05-15

Laura Bates explains how they built the future and forgot to put women in it. CAITLIN MORAN Fascinating and essential I urge you to read every syllable. JO BRAND All men must read this book if they have any interest in a truly just fair and equal society. ROBIN INCE AI is here bringing a seismic shift in the way our society operates. Might this mean a future reimagined on equitable terms for women and marginalised groups everywhere? Not unless we fight for it. At present power remains largely in the hands of a few rich white men. New AI driven technologies with misogyny baked into their design are putting women in danger their rights and safety sacrificed at the altar of profitability and reckless speed. In *The New Age of Sexism* Sunday Times bestselling author and campaigner Laura Bates takes us deep into the heart of this rapidly evolving world. She explores the metaverse confronts deepfake pornography.
