Lyft Ideas Store Hours:

New Power Jeremy Heimans, Henry Timms, 2018-04-19 For most of human history the rules of power were clear power was something to be seized and then jealously guarded Under this Old Power we lived in a world of rulers and subjects Now we all sense that something has changed From MeToo to Harvey Weinstein Corbyn to Trump from YouTube sensations to darker phenomena such as the emergence of ISIS in our new hyper connected world ideas and movements can spread and flourish with astonishing force and speed In New Power Jeremy Heimans and Henry Timms confront the biggest story of our age and trace how New Power is the key to understanding where we are and will prosper in the 21st Century Drawing on examples from business politics popular culture and social justice as well as case studies of organisations like LEGO and TED they explain the forces that are changing the course of our age In a world increasingly shaped by New Power this book will show you how to shape your future

55, Underemployed, and Faking Normal Elizabeth White, 2019-01-08 A practical plan for the millions of people in their fifties and sixties who find themselves out of work unable to find a job and financially incapable of retiring Elizabeth White shows how to get past any blame or shame overcome denial and find a path to a new normal Elizabeth White has an impressive resume which includes advanced degrees from Harvard and Johns Hopkins and a distinguished employment history She started a business that failed and then tried to reenter the work force in her mid fifties only to learn that there is little demand for workers her age For a while Elizabeth lived in denial but then had to adjust to her new reality shedding the gym membership getting a roommate forgoing restaurant meals and so on She soon learned she wasn't alone there are millions of Americans in her predicament and worse exhausted from trying to survive and overcome every day In 55 Underemployed and Faking Normal Elizabeth invites you to look beyond your immediate circumstances to what is possible in the new normal of financial insecurity You're in your fifties and sixties and may have saved nothing or not nearly enough to retire It's too late for blame or shame and it wouldn't help anyway What you want to know is what you can do now to have a shot at a decent retirement This relevant and well researched book will appeal not only to those 55 plus but to the generation coming right behind them who may face similar issues Booklist starred review 55 Underemployed and Faking Normal is a must have for anyone whose income has suddenly diminished or even disappeared Providing practical solutions with a focus on retirement and maximizing savings White maintains authority with a realistic empathetic tone throughout This deeply useful work will resonate with aging readers of all income levels and situations Publishers Weekly If you're ready to get serious about feeling good again this book is for you
