Software Engineering, Artificial Intelligence, Networking and Parallel/Distributed Computing Roger

Lee,2022-11-18 This book presents scientific results of the 23rd ACIS International Summer Virtual Conference on Software Engineering Artificial Intelligence Networking and Parallel Distributed Computing SNPD2022 Summer which was held on July 4 6 2022 at Kyoto City Japan The aim of this conference was to bring together researchers and scientists businessmen and entrepreneurs teachers engineers computer users and students to discuss the numerous fields of computer science and to share their experiences and exchange new ideas and information in a meaningful way Research results about all aspects theory applications and tools of computer and information science and to discuss the practical challenges encountered along the way and the solutions adopted to solve them The conference organizers selected the best papers from those papers accepted for presentation at the workshop The papers were chosen based on review scores submitted by members of the program committee and underwent further rigorous rounds of review From this second round of review 15 of most promising papers are then published in this Springer SCI book and not the conference proceedings We impatiently await the important contributions that we know these authors will bring to the field of computer and information science [Metaversed](#) Luis

Bravo Martins,Samantha G. Wolfe,2022-12-22 Understand the coming metaverse and discover how to look past the hype and harness the future of technology Metaversed is an insightful discussion and analysis of the next rapidly approaching technological revolution The authors deliver a compelling new exploration of how the metaverse and emerging technologies combine to define our collective future In addition to identifying the business opportunities the book pulls back the curtain on major safety and privacy issues that will arise and the expected shifts in both our private and social spheres In the book you ll understand How multiple industries will be changed and challenged in a 3D spatial world and how to navigate the future crypto ladden business landscape Legal and policy considerations necessary to build and maintain safe shared digital spaces The economic and social impacts including the potential for our digital lives to outlive our physical selves Actionable insights so you can make the most out of the next digital revolution Metaversed is a can t miss presentation of the most significant market opportunities and societal challenges posed by the metaverse It also will empower readers to take positive action that avoids the same online mistakes that happened on social media and create more responsible tech usage habits in our personal and professional lives

Children's Rights and Children's Development: An Integrated Approach Jonathan

Todres,Ursula Kilkelly,2025-01-21 Offers an assessment of how children s rights take shape and are realized at various stages of child development and in turn can and should inform law and policy Children s rights and child development frameworks are critical to understanding children s lived experiences advancing child wellbeing and implementing children s rights However research in the two fields has proceeded largely on separate tracks Children s Rights and Child Development seeks to forge opportunities to deepen understanding about children s rights in light of the scientific research on child

development to inform fresh perspectives on research law and policy affecting children Drawing on existing literature studies and research Children s Rights and Child Development provides an in depth examination of the fundamental stages in childhood development early childhood middle childhood and adolescence The book goes beyond the often very general language in law and policies that considers children as a homogenous group It delineates how the rights of young people can be understood at each stage of development and how this can and should inform law and policy on children s rights Integrating children s perspectives with the expertise from leading scholars in children s rights and child development Todres and Kilkelly reveal how an integrated approach to child rights and child development can be most impactful to child advocacy This book is essential reading for anyone interested in child advocacy offering insight into how the rights of young people can be understood at different stages of development in a developmentally appropriate and rights compliant manner

Gaming and Extremism Linda Schlegel, Rachel Kowert, 2024-03-21 Charting the increase in the use of games for the dissemination of extremist propaganda radicalization recruitment and mobilization this book examines the gamification of extremism Editors Linda Schlegel and Rachel Kowert bring together a range of insights from world leading experts in the field to provide the first comprehensive overview of gaming and extremism The potential nexus between gaming and extremism has become a key area of concern for researchers policymakers and practitioners seeking to prevent and counter radicalization and this book offers insights into key trends and debates future directions and potential prevention efforts This includes the exploration of how games and game adjacent spaces such as Discord Twitch Steam and DLive are being leveraged by extremists for the purposes of radicalization recruitment and mobilization Additionally the book presents the latest counterterrorism techniques surveys promising preventing countering violent extremism P CVE measures currently being utilized in the gaming sphere and examines the ongoing challenges controversies and current gaps in knowledge in the field This text will be of interest to students and scholars of gaming and gaming culture as well as an essential resource for researchers and practitioners working in prevention and counter extremism professionals working at gaming related tech companies and policymakers The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4 0 license [Metaverse - METAVERSE 2022](#) Liang-Jie Zhang, 2022-12-21 This book constitutes the refereed proceedings of the 18th METAVERSE 2022 conference held as part of the Services Conference Federation SCF 2022 in December 2022 in Honolulu USA The 7 full papers and 3 short papers presented were carefully reviewed and selected from 21 submissions The papers cover topics in the field of Advertising Services Banking Services Broadcasting Cable TV Service Business Services Communications Services Government Services Real Estate Operations Services Schools and Education Services Healthcare Services and much more

Conversing in the Metaverse Jieun Kiaer, 2024-07-25 How do metaverse technologies change how we communicate with each other This book explores how existing metaverse technologies affect our communication both verbal and non verbal as

well as the ramifications of these effects Communication is central to the human experience and how we currently communicate and will communicate can affect our sense of identity and relationships with others which can have huge long term societal repercussions Utilising methods of digital ethnography and linguistic landscape this book takes an in depth look at what exactly the metaverse is or will be and tracks the technological and societal trends that surround it To do so it questions what differentiates the metaverse from earlier connected virtual worlds like World of Warcraft or Second Life and features extracts from interviews with the users and developers of current metaverses such as Roblox Minecraft and Gather town It also investigates the impact of the pandemic in changing and accelerating how we communicate in virtual spaces
