*The Hitchhiker's Guide to AI* Arthur Goldstuck, 2023-12-01

For the past decade Arthur Goldstuck has had a front row seat to witness the remarkable rise of AI across all sectors of business and society. As generative AI becomes a household phrase and sparks hopes and fears of machines augmenting or replacing human beings, this guide offers an invaluable overview of the past, present and future of AI. *The Hitchhiker's Guide to AI* is aimed at both beginners and those who consider themselves experienced or skilled at using AI. It draws on many years of direct access to global and regional leaders in using AI from Africa to the Middle East to North America to Europe and Asia and it provides unique perspectives on generative AI as well as practical advice for using it. It is useful for consumers, academics, professionals and anyone in business who wants to get up to speed quickly and practically. It also entertains and inspires anyone who is curious about AI or already engaged in its possibilities. Need to understand or refine prompting? You're in the right place. Need to prepare for the coming impact of AI on health, travel, education and business? This is the book for you.
