**Culturally Competent Kids** Samantha Sweeney,2025-05-06 A book for parents that provides a science based framework for helping to raise CULTURALLY COMPETENT KIDS This book is for the parent who knows that culture is important It is for the parent who wants to teach their child about the world around them but doesn t know where to start Let this book be your starting point and your guide The goal of Culturally Competent Kids is to help you raise your children to become adults who respect and celebrate differences rather than simply tolerating them Research shows that while biases begin to develop at age 6 their origins begin

much earlier Unfortunately diversity and culture are treated as though they are grownup concepts as if children don t recognize that diversity is all around them Human beings naturally categorize and your kids will develop preferences prejudices and opinions about people who are different from them Therefore it is important for parents to take an active role in helping their children see understand and develop their understanding of people and cultures that are different As Dr Sweeney says We don t have to all be friends or even like each other to treat each other with respect This book provides a science based framework with ideas and options to explore as you embark on this cultural competence journey with your kids and also with yourself [Governing Social Virtual Reality](#) Joanne E. Gray,Marcus Carter,Ben Eglinton,2024-08-08 In this ground breaking book we navigate the uncharted terrain of social virtual reality VR a technology that while offering unprecedented immersive experiences brings forth significant governance challenges By merging theoretical insights with practical examples the book examines the risks of harm in social VR environments including both content and conduct issues It charts a course for developing inclusive and safe social VR spaces that are respectful of diverse users rights and needs laying out essential principles for policymakers developers and regulators The book is an urgent call to proactively shape the burgeoning field of VR for the betterment of all [Don't Use Your Words!](#) Jane Juffer,2019-05-28 How children are taught to control their feelings and how they resist this emotional management through cultural production Today even young kids talk to each other across social media by referencing memes songs and movements constructing a common vernacular that resists parental educational and media imperatives to name their feelings and thus control their bodies Over the past two decades children s television programming has provided a therapeutic site for the processing of emotions such as anger but in doing so has enforced normative structures of feeling that Jane Juffer argues weaken the intensity and range of children s affective experiences Don t Use Your Words seeks to challenge those norms highlighting the ways that kids express their feelings through cultural productions including drawings fan art memes YouTube videos dance moves and conversations while gaming online Focusing on kids between ages five and nine Don t Use Your Words situates these productions in specific contexts including immigration policy referenced in drawings by Central American children just released from detention centers and electoral politics as contested in kids artwork expressing their anger at Trump s victory Taking issue with the mainstream tendency to speak on behalf of children Juffer argues that kids have the agency to answer for themselves what does it feel like to be a kid [Christmas at Lobster Bay](#) Annie Robertson,2022-09-06 When Emma and Aidan decide to expand The Guesthouse at Lobster Bay by merging their two homes Emma feels certain it s the project she needs to develop her flourishing retreat and to bring her and Aidan closer together Emma has three months to complete the project before her guests arrive for a sumptuous Christmas in Lobster Bay but as soon as the work begins Emma s dream of expansion begins to fall apart Unforeseen structural problems the arrival of someone from Emma s past and an errant puppy who is determined to chew his way through every pipe and cable push Emma and Aidan to their limit and it s not long before

cracks begin to show in their relationship Determined not to give up Emma pushes on But as the project progresses tensions continue to rise and when a winter storm blows in work grinds to a halt pushing Emma and Aidan to the brink As Emma battles to keep her dream alive will it be at the expense of her relationship And will she eventually with the help of some of her friends pull off her dream of Christmas at Lobster Bay
