My Planets A Fictive Memoir:

My Planets David P. Reiter, 2011 Winner 2012 Western Australian Premier's Book Award for Digital Narrative Imagine this You're 50 years old An only child from a Jewish family The people you thought of as your mother and father are dead Then in the middle of the night you get a phone call from the other side of the planet telling you they've found your mother Alive Your real mother Suddenly you become the oldest of seven across two families All your assumptions about yourself are swept away From Ground Zero you begin a journey of rediscovery to reclaim your identity But the truths you gather are relative subjective Like speculating on the nature of the universe from the perspective of one planet and then again from another My Planets is in fact a suite of works a physical book an enhanced eBook incorporating images music sound and video with spoken word and text a film and now an interactive website Like most of David P Reiter's work it challenges the boundaries changing shape with the message inviting the reader to time travel on a Tardis of the mind Making his planets your own

Black Books Publishing David P. Reiter, 2018-03-18 PhD student Dylan Cashew abandons his thesis on D H Lawrence for the uncertain world of top secret aerospace editing college teaching and then independent publishing Dogged and even mentored by Lawrence and others from parallel Dimensions Dylan finds himself immersed in a publishing venture that with aid of his PR savvy wife interjections from the Internet and a bottomless supply of scotch nearly goes under before he receives an offer from a Chinese conglomerate that may be too good to refuse If you're an author published or unpublished or wished you were one or someone who's worked in publishing or wished you could this book is for you Have we missed anyone This is David P Reiter's latest sortie into the satiricsphere of digital narrative His having won two Western Australian Premier's Awards with *Timelord Dreaming* and *My Planets Reunion Memoir* has done nothing to curb his rash flirtation with innovation Nearly 200 internet call outs will tempt you away from the central storyline Can you resist This is a thrilling fast paced satire of life in the publishing industry that must now navigate multiple universes consider colliding galaxies and take instruction from guides such as D H Lawrence Carmel Bird Winner 2016 Patrick White Award for Literature If only independent publishing was as enjoyable as this novel about it David Reiter proves himself to be an accomplished comic writer with an incisive satirical eye Black Books Publishing is darkly funny David Musgrave novelist poet and founder Puncher Wattman publishers

Timelord Dreaming David P Reiter, 2015-03-11 You wake in the middle of the night with a terrible pain radiating from your lower side up to your chest An ambulance is called and you're rationed ever increasing doses of morphine on your way to the hospital In the EW a heart attack is ruled out but the mystery intensifies Until a CT scan reveals the truth You in this case was the author who with the kindness of a Dr Who understudy and other medical staff at the Mater Hospital Brisbane survived a urgent operation and had many medicated days to reflect on an often surreal experience *Timelord Dreaming* uses tweetems microtexts with Internet call outs to recreate one man's journey through the parallel universes of patient and personal identity If you've ever been hospitalised you'll find much that is

familiar and not always comfortable here Dr David P Reiter won the 2012 Western Australian Premier's Award for My Planets Reunion Memoir Timelord Dreaming continues his innovative work in the frontier between text and digital media

My Planets A Fictive Memoir Introduction

In the digital age, access to information has become easier than ever before. The ability to download My Planets A Fictive Memoir has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download My Planets A Fictive Memoir has opened up a world of possibilities. Downloading My Planets A Fictive Memoir provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading My Planets A Fictive Memoir has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download My Planets A Fictive Memoir. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading My Planets A Fictive Memoir. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading My Planets A Fictive Memoir, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download My Planets A Fictive Memoir has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers,

free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
